

United Community Banks, Inc. Reports First Quarter Results

April 18, 2023

Customer Deposit Growth of 10%, Organic Loan Growth of 8%, Asset Quality and Capital Levels Remained Strong

GREENVILLE, S.C., April 18, 2023 (GLOBE NEWSWIRE) -- United Community Banks, Inc. (NASDAQ: UCBI) (United) today announced that net income for the 2023 first quarter was \$62.3 million and pre-tax, pre-provision income was \$101.9 million. Diluted earnings per share of \$0.52 for the quarter represented an increase of \$0.09 or 21%, from the first quarter a year ago and a decrease of \$0.22 or 30% from the fourth quarter of 2022. On an operating basis, United's diluted earnings per share of \$0.58 was up 16% from the year-ago quarter. The primary drivers of the increased earnings per share year-over-year were increased interest rates and organic loan growth. The linked-quarter decrease in earnings per share was primarily driven by higher deposit and borrowed funds interest cost as well as changes in deposit composition toward more expensive time deposits during the quarter. United's return on assets was 0.95%, or 1.06% on an operating basis. Return on equity was 7.3% and return on tangible common equity was 11.6%. On a pre-tax, pre-provision basis, operating return on assets was 1.71% for the quarter. At quarter end, tangible common equity to tangible assets was 8.2%, up 29 basis points from the fourth quarter of 2022.

Chairman and CEO Lynn Harton stated, "This was another solid quarter for United. Deposit growth reflected the strength of our customer franchise, and our loan growth was within our stated target range of mid to high single digits. While our net interest margin did contract from the previous quarter due to higher deposit costs, we continued to generate strong returns and strengthen our balance sheet." Harton continued, "On the strategic front, we continue to expand the company into exciting growth markets that we know and where we can partner with organizations that align with our values and culture. We are very glad to welcome Progress officially into the United team, adding to our growth opportunities in Alabama and the Florida Panhandle. Our recently announced partnership with First National Bank of South Miami will also bring great opportunities and a talented team to the company. I couldn't be more excited to welcome them to our team."

United's net interest margin decreased by 15 basis points to 3.61% from the fourth quarter. The average yield on United's interest-earning assets was up 44 basis points to 4.76%, but its cost of deposits increased by 61 basis points to 1.10%, leading to the reduction in the net interest margin. Net charge-offs were \$7.1 million or 0.17% of average loans during the quarter, flat compared to the fourth quarter of 2022, and NPAs were 28 basis points relative to total assets, up 10 basis points from the previous quarter.

Mr. Harton concluded, "We continue to believe that 2023 will be a great year for United, despite the uncertainty in the economic environment. We remain focused on being a great partner for our clients and communities; growing our business and being prepared to manage through any challenges that lie ahead. We continue to strengthen our teams, recruiting great bankers and adding new locations, most recently in Atlanta and Charleston, South Carolina. Consistent with building for our future, we also recently announced a refresh of our brand with a new logo to be rolled out to our markets through 2024. While the brand will present itself as more modern and forward-looking, it also continues to symbolize our commitment to service and to community that has been our focus for more than 70 years."

Caution About Forward-Looking Statements

This press release contains "forward-looking statements" within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended. In general, forward-looking statements usually may be identified through use of words such as "may," "believe," "expect," "anticipate," "intend," "will," "should," "plan," "estimate," "predict," "continue" and "potential," or the negative of these terms or other comparable terminology, and include statements related to the expected financial returns of the acquisition of First Miami Bancorp, Inc. ("FMIA"). Forward-looking statements are not historical facts and represent management's beliefs, based upon information available at the time the statements are made, with regard to the matters addressed; they are not guarantees of future performance. Actual results may prove to be materially different from the results expressed or implied by the forward-looking statements. Forward-looking statements are subject to numerous assumptions, risks and uncertainties that change over time and could cause actual results or financial condition to differ materially from those expressed in or implied by such statements.

Factors that could cause or contribute to such differences include, but are not limited to (1) the risk that the cost savings and any revenue synergies from the FMIA acquisition may not be realized or take longer than anticipated to be realized, (2) disruption of customer, supplier, employee or other business partner relationships as a result of the FMIA acquisition, (3) the possibility that the costs, fees, expenses and charges related to the acquisition of FMIA may be greater than anticipated, (4) reputational risk and the reaction of the companies' customers, suppliers, employees or other business partners to the acquisition of FMIA, (5) the risks relating to the integration of FMIA's operations into the operations of United, including the risk that such integration will be materially delayed or will be more costly or difficult than expected, (6) the risks associated with United's pursuit of future acquisitions, (7) the risk of expansion into new geographic or product markets, (8) the dilution caused by United's issuance of additional shares of its common stock in the FMIA acquisition, and (9) general competitive, economic, political and market conditions. Further information regarding additional factors which could affect the forward-looking statements contained in this press release can be found in the cautionary language included under the headings "Cautionary Note Regarding Forward-Looking Statements" and "Risk Factors" in United's Annual Report on Form 10-K for the year ended December 31, 2022, and other documents subsequently filed by United with the United States Securities and Exchange Commission ("SEC").
