Prospectus Cover Page

1. We note the non-voting common stock will be sold by the selling shareholders at a price of \$9.50 per share, or at privately negotiated prices, until a market develops for the non-voting common stock. However, shares of non-voting common stock cannot be sold at privately negotiated prices since there is no existing market for such shares. Please revise to disclose that the selling shareholders will sell the non-voting common stock at a price of \$x.xx per share until the shares are quoted on the OTCBB and thereafter at prevailing market prices or privately negotiated prices.

We urge all persons who are responsible for the accuracy and adequacy of the disclosure in the filing to be certain that the filing includes the information the Securities Act of 1933 and all applicable Securities Act rules require. Since the company and its management are in

possession of all facts relating to a company's disclosure, they are responsible for the accuracy and adequacy of the disclosures they have made.

Notwithstanding our comments, in the event you request acceleration of the effective date of the pending registration statement please provide a written statement from the company acknowledging that:

- should the Commission or the staff, acting pursuant to delegated authority, declare the filing effective, it does not foreclose the Commission from taking any action with respect to the filing;
- the action of the Commission or the staff, acting pursuant to delegated authority, in declaring the filing effective, does not relieve the company from its full responsibility for the adequacy and accuracy of the disclosure in the filing; and
- the company may not assert staff comments and the declaration of effectiveness as a defense in any proceeding initiated by the Commission or any person under the federal securities laws of the United States.

Please refer to Rules 460 and 461 regarding requests for acceleration. We will consider a written request for acceleration of the effective date of the registration statement as confirmation of the fact that those requesting acceleration are aware of their respective responsibilities under the Securities Act of 1933 and the Securities Exchange Act of 1934 as they relate to the proposed public offering of the securities specified in the above registration statement. Please allow adequate time for us to review any amendment prior to the requested effective date of the registration statement.

Please contact Matt McNair, Staff Attorney, at (202) 551-3583 or me at (202) 551-3434 with any questions.

Sincerely,

/s/ Michael R. Clampitt
