THE SECURITIES

SECTION 2.1 Issuable in Series.

The aggregate principal amount of Securities that may be authenticated and delivered under this Indenture is unlimited. The Securities may be issued in one or more Series. All Securities of a Series shall be identical except as may be set forth or determined in the manner provided in a Board Resolution, supplemental indenture or Officers’ Certificate detailing the adoption of the terms thereof pursuant to authority granted under a Board Resolution. In the case of Securities of a Series to be issued from time to time, the Board Resolution, Officers’ Certificate or supplemental indenture detailing the adoption of the terms thereof pursuant to authority granted under a Board Resolution may provide for the method by which specified terms (such as interest rate, maturity date, record date or date from which interest shall accrue) are to be determined. Securities may differ between Series in respect of any matters, provided that all Series of Securities shall be equally and ratably entitled to the benefits of this Indenture.

SECTION 2.2 Establishment of Terms of Series of Securities.

At or prior to the issuance of any Securities within a Series, the following shall be established (as to the Series generally, in the case of Subsection 2.2.1 and either as to such Securities within the Series or as to the Series generally in the case of Subsections 2.2.2 through 2.2.17) by or pursuant to a Board

Resolution, and set forth or determined in the manner provided in a Board Resolution, supplemental indenture or an Officers' Certificate:

2.2.1 the title of the Series (which shall distinguish the Securities of that particular Series from the Securities of any other Series);

2.2.2 the price or prices (expressed as a percentage of the principal amount thereof) at which the Securities of the Series will be issued;

2.2.3 any limit upon the aggregate principal amount of the Securities of the Series which may be authenticated and delivered under this Indenture (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of the Series pursuant to Section 2.7, 2.8, 2.11, 3.6 or 9.6);

2.2.4 the date or dates on which the principal of the Securities of the Series is payable;

2.2.5 the rate or rates (which may be fixed or variable) per annum or, if applicable, the method used to determine such rate or rates (including, but not limited to, any commodity, commodity index, stock exchange index or financial index) at which the Securities of the Series shall bear interest, if any, the date or dates from which such interest, if any, shall accrue, the date or dates on which such interest, if any, shall commence and be payable and any regular record date for the interest payable on any interest payment date;

2.2.6 the place or places where the principal of and interest, if any, on the Securities of the Series shall be payable, where the Securities of such Series may be surrendered for registration of transfer or exchange and where notices and demands to or upon the Company in respect of the Securities of such Series and this Indenture may be served, and the method of such payment, if by wire transfer, mail or other means;

2.2.7 if applicable, the period or periods within which, the price or prices at which and the terms and conditions upon which the Securities of the Series may be redeemed, in whole or in part, at the option of the Company;

2.2.8 the obligation, if any, of the Company to redeem or purchase the Securities of the Series pursuant to any sinking fund or analogous provisions or at the option of a Holder thereof and the period or periods within which, the price or prices at which and the terms and conditions upon which Securities of the Series shall be redeemed or purchased, in whole or in part, pursuant to such obligation;

2.2.9 the dates, if any, on which and the price or prices at which the Securities of the Series will be repurchased by the Company at the option of the Holders thereof and other detailed terms and provisions of such repurchase obligations;

2.2.10 if other than denominations of \$1,000 and any integral multiple thereof, the denominations in which the Securities of the Series shall be issuable;

2.2.11 the forms of the Securities of the Series in bearer or fully registered form (and, if in fully registered form, whether the Securities will be issuable as Global Securities);

2.2.12 if other than the principal amount thereof, the portion of the principal amount of the Securities of the Series that shall be payable upon declaration of acceleration of the maturity thereof pursuant to Section 6.2;

2.2.13 the provisions, if any, relating to any security provided for the Securities of the Series;

2.2.14 any addition to or change in the Events of Default which applies to any Securities of the Series and any change in the right of the Trustee or the requisite Holders of such Securities to declare the principal amount thereof due and payable pursuant to Section 6.2;

2.2.15 any addition to or change in the covenants set forth in Articles IV or V which applies to Securities of the Series;

2.2.16 any other terms of the Securities of the Series (which may modify or delete any provision of this Indenture insofar as it applies to such Series); and

2.2.17 any Depositories, interest rate calculation agents, exchange rate calculation agents or other agents with respect to Securities of such Series if other than those appointed herein.

All Securities of any one Series need not be issued at the same time and may be issued from time to time, consistent with the terms of this Indenture, if so provided by or pursuant to the Board Resolution, supplemental indenture hereto or Officers' Certificate referred to above, and the authorized principal amount of any Series may not be increased to provide for issuances of additional Securities of such Series, unless otherwise provided in such Board Resolution, supplemental indenture or Officers' Certificate.

SECTION 2.3 Execution and Authentication.

Two Officers shall sign the Securities for the Company by manual or facsimile signature.

If an Officer whose signature is on a Security no longer holds that office at the time the Security is authenticated, the Security shall nevertheless be valid.

A Security shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent. The signature shall be conclusive evidence that the Security has been authenticated under this Indenture.

The Trustee shall at any time, and from time to time, authenticate Securities for original issue in the principal amount provided in the Board Resolution, supplemental indenture hereto or Officers' Certificate, upon receipt by the Trustee of a Company Order. Each Security shall be dated the date of its authentication unless otherwise provided by a Board Resolution, a supplemental indenture hereto or an Officers' Certificate.

The aggregate principal amount of Securities of any Series outstanding at any time may not exceed any limit upon the maximum principal amount for such Series set forth in the Board Resolution, supplemental indenture hereto or Officers' Certificate delivered pursuant to Section 2.2, except as provided in Section 2.8.

Prior to the issuance of Securities of any Series, the Trustee shall have received and (subject to Section 7.2) shall be fully protected in relying on: (a) the Board Resolution, supplemental indenture hereto or Officers' Certificate establishing the form of the Securities of that Series or of Securities within that Series and the terms of the Securities of that Series or of Securities within that Series, (b) an Officers' Certificate complying with Section 10.4, and (c) an Opinion of Counsel complying with Section 10.4.

The Trustee shall have the right to decline to authenticate and deliver any Securities of such Series: (a) if the Trustee, being advised by counsel, determines that such action may not be taken lawfully; or (b) if the Trustee in good faith by its board of directors or trustees, executive committee or a trust committee of directors and/or Vice Presidents shall determine that such action would expose the Trustee to personal liability to Holders of any then outstanding Series of Securities.

The Trustee may appoint an authenticating agent acceptable to the Company to authenticate Securities. An authenticating agent may authenticate Securities whenever the Trustee may do so. Each reference in this Indenture to authentication by the Trustee includes authentication by such agent. An authenticating agent has the same rights as an Agent to deal with the Company or an Affiliate of the Company.

SECTION 2.4 Registrar and Paying Agent.

The Company shall maintain, with respect to each Series of Securities, at the place or places specified with respect to such Series pursuant to Section 2.2, an office or agency where Securities of such Series may be presented or surrendered for payment ("**Paying Agent**"), where Securities of such Series may be surrendered for registration of transfer or exchange ("**Registrar**") and where notices and demands (other than service of process) to or upon the Company in respect of the Securities of such Series and this Indenture may be served ("**Service Agent**"). The Registrar shall keep a register with respect to each Series of Securities and to their transfer and exchange. The Company will give prompt written notice to the Trustee of the name and address, and any change in the name or address, of each Registrar, Paying Agent or Service Agent. If at any time the Company shall fail to maintain any such required Registrar, Paying Agent or Service Agent or shall fail to furnish the Trustee with the name and address thereof, such presentations, surrenders, notices and demands may be made or served at the Corporate Trust Office of the Trustee, and the Company hereby appoints the Trustee as its agent to receive all such presentations, surrenders, notices and demands.

The Company may also from time to time designate one or more co-registrars, additional paying agents or additional service agents and may from time to time rescind such designations; provided, however, that no such designation or rescission shall in any manner relieve the Company of its obligations to maintain a Registrar, Paying Agent and Service Agent in each place so specified pursuant to Section 2.2 for Securities of any Series for such purposes. The Company will give prompt written notice to the Trustee of any such designation or rescission and of any change in the name or address of any such co-registrar, additional paying agent or additional service agent. The term "**Registrar**" includes any co-registrar; the term "**Paying Agent**" includes any additional paying agent; and the term "**Service Agent**" includes any additional service agent.

The Company hereby appoints the Trustee as the initial Registrar, Paying Agent and Service Agent for each Series unless another Registrar, Paying Agent or Service Agent, as the case may be, is appointed prior to the time Securities of that Series are first issued.

SECTION 2.5 Paying Agent to Hold Money in Trust.

The Company shall require each Paying Agent other than the Trustee to agree in writing that the Paying Agent will hold in trust, for the benefit of Securityholders of any Series of Securities, or the Trustee, all money held by the Paying Agent for the payment of principal of or interest on the Series of Securities, and will notify the Trustee of any default by the Company in making any payment. While any such default continues, the Trustee may require a Paying Agent to pay all money held by it to the Trustee. The Company at any time may require a Paying Agent to pay all money held by it to the Trustee. Upon payment over to the Trustee, the Paying Agent (if other than the Company or a Subsidiary of the

Company) shall have no further liability for the money. If the Company or a Subsidiary of the Company acts as Paying Agent, it shall segregate and hold in a separate trust fund for the benefit of Securityholders of any Series of Securities all money held by it as Paying Agent.

SECTION 2.6 Securityholder Lists.

The Trustee shall preserve in as current a form as is reasonably practicable the most recent list available to it of the names and addresses of Securityholders of each Series of Securities and shall otherwise comply with TIA Section 312(a). If the Trustee is not the Registrar, the Company shall furnish to the Trustee at least ten days before each interest payment date and at such other times as the Trustee may request in writing a list, in such form and as of such date as the Trustee may reasonably require, of the names and addresses of Securityholders of each Series of Securities.

SECTION 2.7 Transfer and Exchange.

Where Securities of a Series are presented to the Registrar or a co-registrar with a request to register a transfer or to exchange them for an equal principal amount of Securities of the same Series, the Registrar shall register the transfer or make the exchange if its requirements for such transactions are met. To permit registrations of transfers and exchanges, the Trustee shall authenticate Securities at the Registrar's request. No service charge shall be made for any registration of transfer or exchange (except as otherwise expressly permitted herein), but the Company may require payment of a sum sufficient to cover any transfer tax or similar governmental charge payable in connection therewith (other than any such transfer tax or similar governmental charge payable upon exchanges pursuant to Sections 2.11, 3.6 or 9.6).

Neither the Company nor the Registrar shall be required (a) to issue, register the transfer of, or exchange Securities of any Series for the period beginning at the opening of business fifteen days immediately preceding the delivery of a notice of redemption of Securities of that Series selected for redemption and ending at the close of business on the day of such delivery, or (b) to register the transfer of or exchange Securities of any Series selected, called or being called for redemption as a whole or the portion being redeemed of any such Securities selected, called or being called for redemption in part.

SECTION 2.8 Mutilated, Destroyed, Lost and Stolen Securities.

If any mutilated Security is surrendered to the Trustee, the Company shall execute and the Trustee shall authenticate and make available for delivery in exchange therefor a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

If there shall be delivered to the Company and the Trustee (i) evidence to their satisfaction of the destruction, loss or theft of any Security and (ii) such security or indemnity as may be required by them to save each of them and any agent of either of them harmless, then, in the absence of notice to the Company or the Trustee that such Security has been acquired by a protected purchaser, the Company shall execute and upon its request the Trustee shall authenticate and make available for delivery, in lieu of any such destroyed, lost or stolen Security, a new Security of the same Series and of like tenor and principal amount and bearing a number not contemporaneously outstanding.

In case any such mutilated, destroyed, lost or stolen Security has become or is about to become due and payable, the Company in its discretion may, instead of issuing a new Security, pay such Security.

Upon the issuance of any new Security under this Section, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the fees and expenses of the Trustee) connected therewith.

Every new Security of any Series issued pursuant to this Section in lieu of any destroyed, lost or stolen Security shall constitute an original additional contractual obligation of the Company, whether or not the destroyed, lost or stolen Security shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Indenture equally and proportionately with any and all other Securities of that Series duly issued hereunder.

The provisions of this Section are exclusive and shall preclude (to the extent lawful) all other rights and remedies with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities.

SECTION 2.9 Outstanding Securities.

The Securities outstanding at any time are all the Securities authenticated by the Trustee except for those canceled by it, those delivered to it for cancellation, those reductions in the interest on a Global Security effected by the Trustee in accordance with the provisions hereof and those described in this Section as not outstanding.

If a Security is replaced pursuant to Section 2.8, it ceases to be outstanding until the Trustee receives proof satisfactory to it that the replaced Security is held by a protected purchaser.

If the Paying Agent (other than the Company, a Subsidiary of the Company or an Affiliate of the Company) holds on the Maturity of Securities of a Series money sufficient to pay such Securities payable on that date, then on and after that date such Securities of the Series cease to be outstanding and interest on them ceases to accrue.

A Security does not cease to be outstanding because the Company or an Affiliate of the Company holds the Security.

In determining whether the Holders of the requisite principal amount of outstanding Securities have given any request, demand, authorization, direction, notice, consent or waiver hereunder, the principal amount of a Discount Security that shall be deemed to be outstanding for such purposes shall be the amount of the principal thereof that would be due and payable as of the date of such determination upon a declaration of acceleration of the Maturity thereof pursuant to Section 6.2.

SECTION 2.10 Treasury Securities.

In determining whether the Holders of the required principal amount of Securities of a Series have concurred in any request, demand, authorization, direction, notice, consent or waiver, Securities of a Series owned by the Company shall be disregarded, except that for the purposes of determining whether the Trustee shall be protected in relying on any such request, demand, authorization, direction, notice, consent or waiver, only Securities of a Series that a Responsible Officer of the Trustee knows are so owned shall be so disregarded.

SECTION 2.11 Temporary Securities.

Until definitive Securities are ready for delivery, the Company may prepare and the Trustee shall authenticate temporary Securities upon a Company Order. Temporary Securities shall be substantially in

the form of definitive Securities but may have variations that the Company considers appropriate for temporary Securities. Without unreasonable delay, the Company shall prepare and the Trustee upon request shall authenticate definitive Securities of the same Series and date of maturity in exchange for temporary Securities. Until so exchanged, temporary securities shall have the same rights under this Indenture as the definitive Securities.

SECTION 2.12 Cancellation.

The Company at any time may deliver Securities to the Trustee for cancellation. The Registrar and the Paying Agent shall forward to the Trustee any Securities surrendered to them for registration of transfer, exchange or payment. The Trustee shall cancel all Securities surrendered for transfer, exchange, payment, replacement or cancellation and deliver such canceled Securities to the Company, unless the Company otherwise directs; provided that the Trustee shall not be required to destroy Securities. The Company may not issue new Securities to replace Securities that it has paid or delivered to the Trustee for cancellation.

SECTION 2.13 Defaulted Interest.

If the Company defaults in a payment of interest on a Series of Securities, it shall pay the defaulted interest, plus, to the extent permitted by law, any interest payable on the defaulted interest, to the persons who are Securityholders of the Series on a subsequent special record date. The Company shall fix the record date and payment date. At least 10 Business Days before the record date, the Company shall give to the Trustee and to each Securityholder of the Series a notice that states the record date, the payment date and the amount of interest to be paid. The Company may pay defaulted interest in any other lawful manner.

SECTION 2.14 Global Securities.

2.14.1 Terms of Securities. A Board Resolution, a supplemental indenture hereto or an Officers' Certificate shall establish whether the Securities of a Series shall be issued in whole or in part in the form of one or more Global Securities and the Depository for such Global Security or Securities.

2.14.2 Transfer And Exchange. Notwithstanding any provisions to the contrary contained in Section 2.7 of this Indenture and in addition thereto, any Global Security shall be exchangeable pursuant to Section 2.7 of this Indenture for Securities registered in the names of Holders other than the Depository for such Security or its nominee only if (i) such Depository notifies the Company that it is unwilling or unable to continue as Depository for such Global Security or if at any time such Depository ceases to be a clearing agency registered under the Exchange Act, and, in either case, the Company fails to appoint a successor Depository registered as a clearing agency under the Exchange Act within 90 days of such event, (ii) the Company executes and delivers to the Trustee an Officers' Certificate to the effect that such Global Security shall be so exchangeable or (iii) an Event of Default with respect to the Securities represented by such Global Security shall have happened and be continuing. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Securities registered in such names as the Depository shall direct in writing in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

Except as provided in this Section 2.14.2, a Global Security may not be transferred except as a whole by the Depository with respect to such Global Security to a nominee of such Depository, by a nominee of such Depository to such Depository or another nominee of such Depository or by the Depository or any such nominee to a successor Depository or a nominee of such a successor Depository.

Neither the Trustee nor any agent shall be under any obligation or have any duty to (i) monitor compliance with or with respect to any securities or tax laws (including, but not limited to, any United States federal or state or other securities or tax laws), and/or (ii) except as specifically provided herein, obtain documentation on any transfer or exchange of Securities.

2.14.3 Legend. Any Global Security issued hereunder shall bear a legend in substantially the following form:

“This Security is a Global Security within the meaning of the Indenture hereinafter referred to and is registered in the name of the Depository or a nominee of the Depository. This Security is exchangeable for Securities registered in the name of a person other than the Depository or its nominee only in the limited circumstances described in the Indenture, and may not be transferred except as a whole by the Depository to a nominee of the Depository, by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such a successor Depository.”

2.14.4 Acts of Holders. The Depository, as a Holder, may appoint agents and otherwise authorize participants to give or take any request, demand, authorization, direction, notice, consent, waiver or other action which a Holder is entitled to give or take under this Indenture.

2.14.5 Payments. Notwithstanding the other provisions of this Indenture, unless otherwise specified as contemplated by Section 2.2, payment of the principal of and interest, if any, on any Global Security shall be made to the Holder thereof.

2.14.6 Consents, Declaration And Directions. The Company, the Trustee and any agent shall, with respect to registered Securities, treat the person in whose name any Security is registered in the register maintained by the Registrar and, with respect to Bearer Securities, the Bearer thereof, as the Holder of such Security, for purposes of obtaining any consents, declarations, waivers or directions required to be given by the Holders pursuant to this Indenture.

2.14.7 No Liability. Neither the Trustee nor any agent shall have any responsibility or obligation to any beneficial owner of an interest in the Global Securities, an agent member of, or a participant in, the Depository or other person with respect to the accuracy of the records of the Depository or its nominees or of any participant or member thereof, with respect to any ownership interest in the Global Securities or with respect to the delivery to any participant, agent member, beneficial owner or other person (other than the Depository) of any notice (including any notice of redemption) or the payment of any amount or delivery of any Securities (or other security or property) under or with respect to such Securities. The rights of beneficial owners in any Global Securities shall be exercised only through the Depository, subject to its applicable rules and procedures. The Trustee and each agent may rely and shall be fully protected in relying upon information furnished by the Depository with respect to its agent members, participants and any beneficial owners.

SECTION 2.15 CUSIP Numbers.

The Company in issuing the Securities may use “CUSIP” numbers (if then generally in use), and, if so, the Trustee shall use “CUSIP” numbers in notices of redemption as a convenience to Holders; provided that any such notice may state that no representation is made as to the correctness of such

numbers either as printed on the Securities or as contained in any notice of a redemption and that reliance may be placed only on the other elements of identification printed on the Securities, and any such redemption shall not be affected by any defect in or omission of such numbers.

ARTICLE III

REDEMPTION

SECTION 3.1 Notice to Trustee.

The Company may, with respect to any Series of Securities, reserve the right to redeem and pay the Series of Securities or may covenant to redeem and pay the Series of Securities or any part thereof prior to the Stated Maturity thereof at such time and on such terms as provided for in such Securities. If a Series of Securities is redeemable and the Company wants or is obligated to redeem prior to the Stated Maturity thereof all or part of the Series of Securities pursuant to the terms of such Securities, it shall notify the Trustee of the redemption date and the principal amount of Series of Securities to be redeemed. The Company shall give the notice to the Trustee at least 45 days before the redemption date (or such shorter notice as may be acceptable to the Trustee).

SECTION 3.2 Selection of Securities to be Redeemed.

Unless otherwise indicated for a particular Series by a Board Resolution, a supplemental indenture or an Officers' Certificate, if less than all the Securities of a Series are to be redeemed, the Trustee shall select the Securities of the Series to be redeemed in accordance with the procedures of the applicable Depository. The Trustee shall make the selection from Securities of the Series outstanding not previously called for redemption. The Trustee may select for redemption portions of the principal of Securities of the Series that have denominations larger than \$1,000. Securities of the Series and portions of them it selects shall be in amounts of \$1,000 or whole multiples of \$1,000 or, with respect to Securities of any Series issuable in other denominations pursuant to Section 2.2.10, the minimum principal denomination for each Series and integral multiples thereof.

SECTION 3.3 Notice of Redemption.

Unless otherwise indicated for a particular Series by Board Resolution, a supplemental indenture hereto or an Officers' Certificate, at least 10 days but not more than 60 days before a redemption date, the Company shall give a notice of redemption to each Holder whose Securities are to be redeemed in accordance with Section 10.2.

The notice shall identify the Securities of the Series to be redeemed and shall state:

- (a) the redemption date;
- (b) the redemption price;
- (c) the name and address of the Paying Agent;
- (d) that Securities of the Series called for redemption must be surrendered to the Paying Agent to collect the redemption price;

- (e) that interest on Securities of the Series called for redemption ceases to accrue on and after the redemption date (unless the Company defaults in the payment of the redemption price);
- (f) the CUSIP number, if any; and
- (g) any other information as may be required by the terms of the particular Series or the Securities of a Series being redeemed.

At the Company's request, the Trustee shall give the notice of redemption in the Company's name and at its expense.

SECTION 3.4 Effect of Notice of Redemption.

Once notice of redemption is given as provided in Section 3.3, Securities of a Series called for redemption become due and payable on the redemption date and at the redemption price. A notice of redemption may not be conditional. Upon surrender to the Paying Agent, such Securities shall be paid at the redemption price plus accrued interest to the redemption date, provided that installments of interest whose Stated Maturity is on or prior to the redemption date shall be payable to the Holders of such Securities (or one or more predecessor Securities) registered at the close of business on the relevant record date therefor according to their terms and the terms of this Indenture.

SECTION 3.5 Deposit of Redemption Price.

On or before the redemption date, the Company shall deposit with the Paying Agent money sufficient to pay the redemption price of and accrued interest, if any, on all Securities to be redeemed on that date.

SECTION 3.6 Securities Redeemed in Part.

Upon surrender of a Security that is redeemed in part, the Trustee shall authenticate for the Holder a new Security of the same Series and the same maturity equal in principal amount to the unredeemed portion of the Security surrendered.

ARTICLE IV

COVENANTS

SECTION 4.1 Payment of Principal and Interest.

The Company covenants and agrees for the benefit of the Holders of each Series of Securities that it will duly and punctually pay the principal of and interest, if any, on the Securities of that Series in accordance with the terms of such Securities and this Indenture.

In order to comply with applicable tax laws (inclusive of rules, regulations and interpretations promulgated by competent authorities) related to the Securities and this Indenture in effect from time to time ("**Applicable Law**") that a foreign financial institution, issuer, trustee, paying agent or other party is or has agreed to be subject to, the Company agrees (i) to provide to the Trustee and the agents sufficient information about the parties and/or transactions (including any modification to the terms of such transactions) so the Trustee and each agent can determine whether it has tax related obligations under Applicable Law, and (ii) that the Trustee and each agent shall be entitled to make any withholding or

deduction from payments to the extent necessary to comply with Applicable Law for which the Trustee and the agents shall not have any liability.

SECTION 4.2 SEC Reports.

The Company shall deliver to the Trustee within 15 days after it files them with the SEC copies of the annual reports and of the information, documents, and other reports (or copies of such portions of any of the foregoing as the SEC may by rules and regulations prescribe) which the Company is required to file with the SEC pursuant to Section 13 or 15(d) of the Exchange Act. The Company also shall comply with the other provisions of TIA Section 314(a). Delivery of such reports, information and documents to the Trustee is for informational purposes only and the Trustee's receipt of such shall not constitute actual or constructive notice of any information contained therein or determinable from information contained therein, including the Company's compliance with any of its covenants hereunder (as to which the Trustee is entitled to rely exclusively on an Officers' Certificate). The Trustee shall have no obligation to determine whether or not the Company has delivered reports in accordance with this Section 4.2.

SECTION 4.3 Compliance Certificate.

The Company shall deliver to the Trustee, within 120 days after the end of each fiscal year of the Company ending December 31, an Officers' Certificate stating that a review of the activities of the Company and its Subsidiaries during the preceding fiscal year has been made under the supervision of the signing Officers with a view to determining whether the Company has kept, observed, performed and fulfilled its obligations under this Indenture, and further stating, as to each such Officer signing such certificate, that to the best of his/her knowledge the Company has kept, observed, performed and fulfilled each and every covenant contained in this Indenture and is not in default in the performance or observance of any of the terms, provisions and conditions hereof (or, if a Default or Event of Default shall have occurred, describing all such Defaults or Events of Default of which he may have knowledge).

The Company will, so long as any of the Securities are outstanding, deliver to the Trustee, forthwith upon becoming aware of any Default or Event of Default, an Officers' Certificate specifying such Default or Event of Default and what action the Company is taking or proposes to take with respect thereto.

SECTION 4.4 Stay, Extension and Usury Laws.

The Company covenants (to the extent that it may lawfully do so) that it will not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law wherever enacted, now or at any time hereafter in force, which may affect the covenants or the performance of this Indenture or the Securities and the Company (to the extent it may lawfully do so) hereby expressly waives all benefit or advantage of any such law and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Trustee, but will suffer and permit the execution of every such power as though no such law has been enacted.

SECTION 4.5 Corporate Existence.

Subject to Article V, the Company will do or cause to be done all things necessary to preserve and keep in full force and effect its corporate existence and the rights (charter and statutory), licenses and franchises of the Company; provided, however, that the Company shall not be required to preserve any such right, license or franchise if the Board of Directors shall determine that the preservation thereof is no

longer desirable in the conduct of the business of the Company and its Subsidiaries taken as a whole and that the loss thereof is not adverse in any material respect to the Holders.

SECTION 4.6 Taxes.

The Company shall pay prior to delinquency all taxes, assessments and governmental levies, except as contested in good faith and by appropriate proceedings.

ARTICLE V

SUCCESSORS

SECTION 5.1 When Company May Merge, Etc.

The Company shall not consolidate with or merge with or into, or convey, transfer or lease all or substantially all of its properties and assets to, any person (a “*successor person*”) unless:

- (a) the Company is the surviving corporation or the successor person (if other than the Company) is a corporation organized and validly existing under the laws of any U.S. domestic jurisdiction and expressly assumes the Company’s obligations on the Securities and under this Indenture; and
- (b) immediately after giving effect to the transaction, no Default or Event of Default, shall have occurred and be continuing.

The Company shall deliver to the Trustee prior to the consummation of the proposed transaction an Officers’ Certificate to the foregoing effect and an Opinion of Counsel stating that the proposed transaction and any supplemental indenture comply with this Indenture.

SECTION 5.2 Successor Corporation Substituted.

Upon any consolidation or merger, or any sale, lease, conveyance or other disposition of all or substantially all of the assets of the Company in accordance with Section 5.1, the successor corporation formed by such consolidation or into or with which the Company is merged or to which such sale, lease, conveyance or other disposition is made shall succeed to, and be substituted for, and may exercise every right and power of, the Company under this Indenture with the same effect as if such successor person has been named as the Company herein; provided, however, that the predecessor Company in the case of a sale, conveyance or other disposition (other than a lease) shall be released from all obligations and covenants under this Indenture and the Securities.

ARTICLE VI

DEFAULTS AND REMEDIES

SECTION 6.1 Events of Default.

“*Event of Default*,” wherever used herein with respect to Securities of any Series, means any one of the following events, unless in the establishing Board Resolution, supplemental indenture or Officers’ Certificate, it is provided that such Series shall not have the benefit of said Event of Default:

- (a) default in the payment of any interest on any Security of that Series when it becomes due and payable, and continuance of such default for a period of 30 days (unless the entire amount of such payment is deposited by the Company with the Trustee or with a Paying Agent prior to the expiration of such period of 30 days); or
- (b) default in the payment of principal of any Security of that Series at its Maturity; or
- (c) default in the deposit of any sinking fund payment, when and as due in respect of any Security of that Series; or
- (d) default in the performance or breach of any covenant or warranty of the Company in this Indenture (other than a covenant or warranty for which the consequences of nonperformance or breach are addressed elsewhere in this Section 6.1 and other than a covenant or warranty that has been included in this Indenture solely for the benefit of Series of Securities other than that Series), which default continues uncured for a period of 60 days after there has been given, by registered or certified mail, to the Company by the Trustee or to the Company and the Trustee by the Holders of not less than a majority in principal amount of the outstanding Securities of that Series a written notice specifying such default or breach and requiring it to be remedied and stating that such notice is a “**Notice of Default**” hereunder; or
- (e) the Company pursuant to or within the meaning of any Bankruptcy Law:
 - (i) commences a voluntary case,
 - (ii) consents to the entry of an order for relief against it in an involuntary case,
 - (iii) consents to the appointment of a Custodian of it or for all or substantially all of its property,
 - (iv) makes a general assignment for the benefit of its creditors, or
 - (v) generally is unable to pay its debts as the same become due; or
- (f) a court of competent jurisdiction enters an order or decree under any Bankruptcy Law that:
 - (i) is for relief against the Company in an involuntary case,
 - (ii) appoints a Custodian of the Company or for all or substantially all of its property, or
 - (iii) orders the liquidation of the Company, and the order or decree remains unstayed and in effect for 60 days; or
- (g) any other Event of Default provided with respect to Securities of that Series, which is specified in a Board Resolution, a supplemental indenture hereto or an Officers’ Certificate, as contemplated by Section 2.2.

The term “**Bankruptcy Law**” means title 11, U.S. Code or any similar Federal or State law for the relief of debtors. The term “**Custodian**” means any receiver, trustee, assignee, liquidator or similar official under any Bankruptcy Law.

SECTION 6.2 Acceleration of Maturity; Rescission and Annulment.

If an Event of Default with respect to Securities of any Series at the time outstanding occurs and is continuing (other than an Event of Default referred to in Section 6.1(e) or (f)), then in every such case the Trustee or the Holders of not less than a majority in principal amount of the outstanding Securities of that Series may declare the principal amount (or, if any Securities of that Series are Discount Securities, such portion of the principal amount as may be specified in the terms of such Securities) of and accrued and unpaid interest, if any, on all of the Securities of that Series to be due and payable immediately, by a notice in writing to the Company (and to the Trustee if given by Holders), and upon any such declaration such principal amount (or specified amount) and accrued and unpaid interest, if any, shall become immediately due and payable. If an Event of Default specified in Section 6.1(e) or (f) shall occur, the principal amount (or specified amount) of and accrued and unpaid interest, if any, on all outstanding Securities shall ipso facto become and be immediately due and payable without any declaration or other act on the part of the Trustee or any Holder.

At any time after such a declaration of acceleration with respect to any Series has been made and before a judgment or decree for payment of the money due has been obtained by the Trustee as hereinafter in this Article provided, the Holders of a majority in principal amount of the outstanding Securities of that Series, by written notice to the Company and the Trustee, may rescind and annul such declaration and its consequences if all Events of Default with respect to Securities of that Series, other than the non-payment of the principal and interest, if any, of Securities of that Series which have become due solely by such declaration of acceleration, have been cured or waived as provided in Section 6.13.

No such rescission shall affect any subsequent Default or impair any right consequent thereon.

SECTION 6.3 Collection of Indebtedness and Suits for Enforcement by Trustee.

The Company covenants that if:

- (a) default is made in the payment of any interest on any Security when such interest becomes due and payable and such default continues for a period of 30 days, or
- (b) default is made in the payment of principal of any Security at the Maturity thereof, or
- (c) default is made in the deposit of any sinking fund payment when and as due by the terms of a Security,

then, the Company will, upon demand of the Trustee, pay to it, for the benefit of the Holders of such Securities, the whole amount then due and payable on such Securities for principal and interest and, to the extent that payment of such interest shall be legally enforceable, interest on any overdue principal and any overdue interest at the rate or rates prescribed therefor in such Securities, and, in addition thereto, such further amount as shall be sufficient to cover the costs and expenses of collection, including the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel.

If the Company fails to pay such amounts forthwith upon such demand, the Trustee, in its own name and as trustee of an express trust, may institute a judicial proceeding for the collection of the sums so due and unpaid, may prosecute such proceeding to judgment or final decree and may enforce the same

against the Company or any other obligor upon such Securities and collect the moneys adjudged or deemed to be payable in the manner provided by law out of the property of the Company or any other obligor upon such Securities, wherever situated.

If an Event of Default with respect to any Securities of any Series occurs and is continuing, the Trustee may in its discretion proceed to protect and enforce its rights and the rights of the Holders of Securities of such Series by such appropriate judicial proceedings as the Trustee shall deem most effectual to protect and enforce any such rights, whether for the specific enforcement of any covenant or agreement in this Indenture or in aid of the exercise of any power granted herein, or to enforce any other proper remedy.

SECTION 6.4 Trustee May File Proofs of Claim.

In case of the pendency of any receivership, insolvency, liquidation, bankruptcy, reorganization, arrangement, adjustment, composition or other judicial proceeding relative to the Company or any other obligor upon the Securities or the property of the Company or of such other obligor or their creditors, the Trustee (irrespective of whether the principal of the Securities shall then be due and payable as therein expressed or by declaration or otherwise and irrespective of whether the Trustee shall have made any demand on the Company for the payment of overdue principal or interest) shall be entitled and empowered, by intervention in such proceeding or otherwise, (a) to file and prove a claim for the whole amount of principal and interest owing and unpaid in respect of the Securities and to file such other papers or documents as may be necessary or advisable in order to have the claims of the Trustee (including any claim for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel) and of the Holders allowed in such judicial proceeding, and (b) to collect and receive any moneys or other property payable or deliverable on any such claims and to distribute the same, and any custodian, receiver, assignee, trustee, liquidator, sequestrator or other similar official in any such judicial proceeding is hereby authorized by each Holder to make such payments to the Trustee and, in the event that the Trustee shall consent to the making of such payments directly to the Holders, to pay to the Trustee any amount due it for the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, and any other amounts due the Trustee under Section 7.7.

Nothing herein contained shall be deemed to authorize the Trustee to authorize or consent to or accept or adopt on behalf of any Holder any plan of reorganization, arrangement, adjustment or composition affecting the Securities or the rights of any Holder thereof or to authorize the Trustee to vote in respect of the claim of any Holder in any such proceeding.

SECTION 6.5 Trustee May Enforce Claims Without Possession of Securities.

All rights of action and claims under this Indenture or the Securities may be prosecuted and enforced by the Trustee without the possession of any of the Securities or the production thereof in any proceeding relating thereto, and any such proceeding instituted by the Trustee shall be brought in its own name as trustee of an express trust, and any recovery of judgment shall, after provision for the payment of the reasonable compensation, expenses, disbursements and advances of the Trustee, its agents and counsel, be for the ratable benefit of the Holders of the Securities in respect of which such judgment has been recovered.

SECTION 6.6 Application of Money Collected.

Any money collected by the Trustee pursuant to this Article shall be applied in the following order, at the date or dates fixed by the Trustee and, in case of the distribution of such money on account

of principal or interest, upon presentation of the Securities and the notation thereon of the payment if only partially paid and upon surrender thereof if fully paid:

First: To the payment of all amounts due the Trustee under Section 7.7; and

Second: To the payment of the amounts then due and unpaid for principal of and interest on the Securities in respect of which or for the benefit of which such money has been collected, ratably, without preference or priority of any kind, according to the amounts due and payable on such Securities for principal and interest, respectively; and

Third: To the Company.

SECTION 6.7 Limitation on Suits.

No Holder of any Security of any Series shall have any right to institute any proceeding, judicial or otherwise, with respect to this Indenture, or for the appointment of a receiver or trustee, or for any other remedy hereunder, unless:

- (a) such Holder has previously given written notice to the Trustee of a continuing Event of Default with respect to the Securities of that Series;
- (b) the Holders of at least a majority in principal amount of the outstanding Securities of that Series shall have made written request to the Trustee to institute proceedings in respect of such Event of Default in its own name as Trustee hereunder;
- (c) such Holder or Holders have offered to the Trustee satisfactory indemnity against the costs, expenses and liabilities to be incurred in compliance with such request;
- (d) the Trustee for 60 days after its receipt of such notice, request and offer of indemnity has failed to institute any such proceeding; and
- (e) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of a majority in principal amount of the outstanding Securities of that Series;

it being understood and intended that no one or more of such Holders shall have any right in any manner whatever by virtue of, or by availing of, any provision of this Indenture to affect, disturb or prejudice the rights of any other of such Holders, or to obtain or to seek to obtain priority or preference over any other of such Holders or to enforce any right under this Indenture, except in the manner herein provided and for the equal and ratable benefit of all such Holders.

SECTION 6.8 Unconditional Right of Holders to Receive Principal and Interest.

Notwithstanding any other provision in this Indenture, the Holder of any Security shall have the right, which is absolute and unconditional, to receive payment of the principal of and interest, if any, on such Security on the Stated Maturity or Stated Maturities expressed in such Security (or, in the case of redemption, on the redemption date) and to institute suit for the enforcement of any such payment, and such rights shall not be impaired without the consent of such Holder.

SECTION 6.9 Restoration of Rights and Remedies.

If the Trustee or any Holder has instituted any proceeding to enforce any right or remedy under this Indenture and such proceeding has been discontinued or abandoned for any reason, or has been determined adversely to the Trustee or to such Holder, then and in every such case, subject to any determination in such proceeding, the Company, the Trustee and the Holders shall be restored severally and respectively to their former positions hereunder and thereafter all rights and remedies of the Trustee and the Holders shall continue as though no such proceeding had been instituted.

SECTION 6.10 Rights and Remedies Cumulative.

Except as otherwise provided with respect to the replacement or payment of mutilated, destroyed, lost or stolen Securities in Section 2.8, no right or remedy herein conferred upon or reserved to the Trustee or to the Holders is intended to be exclusive of any other right or remedy, and every right and remedy shall, to the extent permitted by law, be cumulative and in addition to every other right and remedy given hereunder or now or hereafter existing at law or in equity or otherwise. The assertion or employment of any right or remedy hereunder, or otherwise, shall not, to the extent permitted by law, prevent the concurrent assertion or employment of any other appropriate right or remedy.

SECTION 6.11 Delay or Omission Not Waiver.

No delay or omission of the Trustee or of any Holder of any Securities to exercise any right or remedy accruing upon any Event of Default shall impair any such right or remedy or constitute a waiver of any such Event of Default or an acquiescence therein. Every right and remedy given by this Article or by law to the Trustee or to the Holders may be exercised from time to time, and as often as may be deemed expedient, by the Trustee or by the Holders, as the case may be.

SECTION 6.12 Control by Holders.

The Holders of a majority in principal amount of the outstanding Securities of any Series shall have the right to direct the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred on the Trustee, with respect to the Securities of such Series, provided that:

- (a) such direction shall not be in conflict with any rule of law or with this Indenture,
- (b) the Trustee may take any other action deemed proper by the Trustee which is not inconsistent with such direction, and
- (c) subject to the provisions of Section 7.2, the Trustee shall have the right to decline to follow any such direction if the Trustee in good faith shall, by a Responsible Officer of the Trustee, determine that the proceeding so directed would involve the Trustee in personal liability.

SECTION 6.13 Waiver of Past Defaults.

The Holders of not less than a majority in principal amount of the outstanding Securities of any Series may on behalf of the Holders of all the Securities of such Series waive any past Default hereunder with respect to such Series and its consequences, except (i) a continuing Default in the payment of the principal of or interest on any Security of such Series (provided, however, that the Holders of a majority in principal amount of the outstanding Securities of any Series may rescind an acceleration and its consequences, including any related payment default that resulted from such acceleration) or (ii) a Default

in respect of a covenant or provision hereof which cannot be modified or amended without the consent of the Holder of each outstanding Security of such Series affected. Upon any such waiver, such Default shall cease to exist, and any Event of Default arising therefrom shall be deemed to have been cured, for every purpose of this Indenture; but no such waiver shall extend to any subsequent or other Default or impair any right consequent thereon.

SECTION 6.14 Undertaking for Costs.

All parties to this Indenture agree, and each Holder of any Security by his acceptance thereof shall be deemed to have agreed, that any court may in its discretion require, in any suit for the enforcement of any right or remedy under this Indenture, or in any suit against the Trustee for any action taken, suffered or omitted by it as Trustee, the filing by any party litigant in such suit of an undertaking to pay the costs of such suit, and that such court may in its discretion assess reasonable costs, including reasonable attorneys' fees, against any party litigant in such suit, having due regard to the merits and good faith of the claims or defenses made by such party litigant; but the provisions of this Section shall not apply to any suit instituted by the Company, to any suit instituted by the Trustee, to any suit instituted by any Holder, or group of Holders, holding in the aggregate more than 10% in principal amount of the outstanding Securities of any Series, or to any suit instituted by any Holder for the enforcement of the payment of the principal of or interest on any Security on or after the Stated Maturity or Stated Maturities expressed in such Security (or, in the case of redemption, on the redemption date).

ARTICLE VII

TRUSTEE

SECTION 7.1 Duties of Trustee.

- (a) If an Event of Default has occurred and is continuing, the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent man would exercise or use under the circumstances in the conduct of his own affairs.
- (b) Except during the continuance of an Event of Default:
 - (i) The Trustee need perform only those duties that are specifically set forth in this Indenture and no others.
 - (ii) In the absence of bad faith on its part, the Trustee may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon Officers' Certificates or Opinions of Counsel furnished to the Trustee and conforming to the requirements of this Indenture; however, in the case of any such Officers' Certificates or Opinions of Counsel which by any provisions hereof are specifically required to be furnished to the Trustee, the Trustee shall examine such Officers' Certificates and Opinions of Counsel to determine whether or not they conform to the requirements of this Indenture.
- (c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:
 - (i) This paragraph does not limit the effect of paragraph (b) of this Section.

- (ii) The Trustee shall not be liable for any error of judgment made in good faith by a Responsible Officer, unless it is proved that the Trustee was negligent in ascertaining the pertinent facts.
- (iii) The Trustee shall not be liable with respect to any action taken, suffered or omitted to be taken by it with respect to Securities of any Series in good faith in accordance with the direction of the Holders of a majority in principal amount of the outstanding Securities of such Series relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture with respect to the Securities of such Series.
- (d) Every provision of this Indenture that in any way relates to the Trustee is subject to paragraph (a), (b) and (c) of this Section.
- (e) The Trustee may refuse to perform any duty or exercise any right or power at the request or direction of any Holder unless it receives indemnity satisfactory to it against any loss, liability or expense.
- (f) The Trustee shall not be liable for interest on or the investment of any money received by it except as the Trustee may agree in writing with the Company. Money held in trust by the Trustee need not be segregated from other funds except to the extent required by law.
- (g) No provision of this Indenture shall require the Trustee to risk or expend its own funds or otherwise incur any financial liability in the performance of any of its duties, or in the exercise of any of its rights or powers, if it shall have reasonable grounds for believing that repayment of such funds or adequate indemnity against such risk is not reasonably assured to it.

SECTION 7.2 Rights of Trustee. Subject to the provisions of Section 7.1:

- (a) The Trustee may rely on and shall be protected in acting or refraining from acting upon any document believed by it to be genuine and to have been signed or presented by the proper person. The Trustee need not investigate any fact or matter stated in the document.
- (b) Before the Trustee acts or refrains from acting, it may require an Officers' Certificate and an Opinion of Counsel. The Trustee shall not be liable for any action it takes or omits to take in good faith in reliance on such Officers' Certificate or Opinion of Counsel.
- (c) The Trustee may act through agents and shall not be responsible for the misconduct or negligence of any agent appointed with due care. No Depository shall be deemed an agent of the Trustee and the Trustee shall not be responsible for any act or omission by any Depository.
- (d) The Trustee shall not be liable for any action it takes or omits to take in good faith which it believes to be authorized or within its rights or powers, provided that the Trustee's conduct does not constitute negligence or bad faith.
- (e) The Trustee shall be under no obligation to exercise any of the rights or powers vested in it by this Indenture at the request or direction of any of the Holders of Securities unless

such Holders shall have offered to the Trustee satisfactory security or indemnity against the costs, expenses and liabilities which might be incurred by it in compliance with such request or direction.

- (f) The Trustee may consult with counsel of its selection and the advice of such counsel or any Opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by it hereunder in good faith and in reliance thereon.
- (g) The Trustee shall not be bound to make any investigation into the facts or matters stated in any resolution, certificate, statement, instrument, opinion, report, notice, request, direction, consent, order, bond, debenture, note, other evidence of indebtedness or other paper or document, but the Trustee, in its discretion, may make such further inquiry or investigation into such facts or matters as it may see fit.
- (h) The Trustee shall not be deemed to have notice of any Default or Event of Default unless a Responsible Officer of the Trustee has actual knowledge thereof or unless written notice of any event which is in fact such a default is received by the Trustee at the Corporate Trust Office of the Trustee, and such notice references the Securities generally or the Securities of a particular Series and this Indenture.
- (i) In no event shall the Trustee be liable under or in connection with this Indenture for indirect, special, incidental, punitive or consequential losses or damages of any kind whatsoever, including but not limited to lost profits, whether or not foreseeable, even if the Trustee has been advised of the possibility thereof and regardless of the form of action in which such damages are sought.
- (j) In no event shall the Trustee be liable for any failure or delay in the performance of its obligations under this Indenture because of circumstances beyond its control, including, but not limited to, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, strikes or work stoppages for any reason, embargo, government action, including any laws, ordinances, regulations or the like which restrict or prohibit the providing of the services contemplated by this Indenture, inability to obtain material, equipment, or communications or computer facilities, the failure of equipment or interruption of communications or computer facilities, or the unavailability of the Federal Reserve Bank, and other causes beyond its control whether or not of the same class or kind as specifically named above.
- (k) The Paying Agent, the Registrar, the Service Agent, any authenticating agent and any other agent appointed by the Company pursuant to this Indenture shall be entitled to the rights indemnities, protections, immunities and standard of care as are set forth in Article 7 with respect to the Trustee.

SECTION 7.3 Individual Rights of Trustee.

The Trustee in its individual or any other capacity may become the owner or pledgee of Securities and may otherwise deal with the Company or an Affiliate of the Company with the same rights it would have if it were not Trustee. Any Agent may do the same with like rights. The Trustee is also subject to Sections 7.10 and 7.11.

SECTION 7.4 Trustee's Disclaimer.

The Trustee makes no representation as to the validity or adequacy of any offering materials, this Indenture or the Securities, it shall not be accountable for the Company's use of the proceeds from the Securities, and it shall not be responsible for any statement in the Securities other than its authentication.

SECTION 7.5 Notice of Defaults.

If a Default or Event of Default occurs and is continuing with respect to the Securities of any Series and if it is known to a Responsible Officer of the Trustee, the Trustee shall give to each Securityholder of the Securities of that Series notice in accordance with Section 10.2 of a Default or Event of Default within 90 days after it occurs or, if later, after a Responsible Officer of the Trustee has knowledge of such Default or Event of Default. Except in the case of a Default or Event of Default in payment of principal of or interest on any Security of any Series, the Trustee may withhold the notice if and so long as its corporate trust committee or a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of Securityholders of that Series.

SECTION 7.6 Reports by Trustee to Holders.

Within 60 days after May 15 in each year beginning with May 15, 2016, the Trustee shall transmit by mail to all Securityholders, as their names and addresses appear on the register kept by the Registrar and, if any Bearer Securities are outstanding, publish in an Authorized Newspaper, a brief report dated as of such May 15, in accordance with, and to the extent required under, TIA Section 313.

A copy of each report at the time of its mailing to Securityholders of any Series shall be filed with the SEC and each stock exchange on which the Securities of that Series are listed. The Company shall promptly notify the Trustee when Securities of any Series are listed on any stock exchange.

SECTION 7.7 Compensation and Indemnity.

The Company shall pay to the Trustee from time to time compensation for its services as the Company and the Trustee shall from time to time agree upon in writing. The Trustee's compensation shall not be limited by any law on compensation of a trustee of an express trust. The Company shall reimburse the Trustee upon request for all reasonable out-of-pocket expenses incurred by it. Such expenses shall include the reasonable compensation and expenses of the Trustee's agents and counsel.

The Company agrees to indemnify and hold harmless the Trustee and each of its affiliates and their officers, directors, employees, representatives and agents (each, an "**Indemnified Party**") from and against any and all claims, damages, losses, liabilities and expenses (including, without limitation, reasonable fees and expenses of counsel) that may be incurred by or asserted or awarded against any Indemnified Party and arise in any way out of or in connection with or by reason of this Indenture or any of the transactions contemplated herein, including the enforcement of their rights under this Indenture, except to the extent such claim, damage, loss, liability or expense resulted from such Indemnified Party's own negligence or bad faith. In the case of an investigation, litigation or other proceeding to which the indemnity in this Section 7.7 applies, such indemnity shall be effective (i) whether or not such investigation, litigation or proceeding is brought by the Company, its directors, shareholders or creditors, any Indemnified Party, (ii) whether or not any other person or an Indemnified Party is otherwise a party thereto and (iii) whether or not the transactions contemplated hereby are consummated.

If the indemnification provided for in the preceding paragraph is invalid or unenforceable in accordance with its terms, then the Company shall contribute to the amount paid or payable by the

Trustee as a result of such liability in such proportion as is appropriate to reflect the relative benefits received by the Company on one hand and the Trustee on the other from the transactions relating to this Indenture.

The term “*liability*”, as used herein, shall mean any losses, claims, damages, expenses (including without limitation the Trustee’s reasonable and documented costs and expenses in defending itself against any losses, claims or investigations of any nature whatsoever or in bringing an action) or other liabilities, joint or several, arising out of or in connection with any claim, litigation, investigation or proceeding relating to this Indenture and any transactions contemplated thereby (including, without limitation, any claim, litigation, investigation or proceeding asserting violation of applicable laws).

The Trustee shall notify the Company promptly of any claim for which it may seek indemnity. The Trustee may have separate counsel and the Company shall pay the reasonable fees and expenses of such counsel. The Company need not pay for any settlement made without its consent, which consent shall not be unreasonably withheld.

To secure the Company’s payment obligations in this Section, the Trustee shall have a lien prior to the Securities of any Series on all money or property held or collected by the Trustee, except that held in trust to pay principal of and interest on particular Securities of that Series.

When the Trustee incurs expenses or renders services after an Event of Default specified in Section 6.1(e) or (f) occurs, the expenses and the compensation for the services are intended to constitute expenses of administration under any Bankruptcy Law.

The provisions of this Section shall survive the termination of this Indenture.

SECTION 7.8 Replacement of Trustee.

A resignation or removal of the Trustee and appointment of a successor Trustee shall become effective only upon the successor Trustee’s acceptance of appointment as provided in this Section.

The Trustee may resign with respect to the Securities of one or more Series by so notifying the Company at least 30 days prior to the date of the proposed resignation. The Holders of a majority in principal amount of the Securities of any Series may remove the Trustee with respect to that Series by so notifying the Trustee and the Company. The Company may remove the Trustee with respect to Securities of one or more Series if:

- (a) the Trustee fails to comply with Section 7.10;
- (b) the Trustee is adjudged a bankrupt or an insolvent or an order for relief is entered with respect to the Trustee under any Bankruptcy Law;
- (c) a Custodian or public officer takes charge of the Trustee or its property; or
- (d) the Trustee becomes incapable of acting.

If the Trustee resigns or is removed or if a vacancy exists in the office of Trustee for any reason, the Company shall promptly appoint a successor Trustee. Within one year after the successor Trustee takes office, the Holders of a majority in principal amount of the then outstanding Securities of the applicable Series may appoint a successor Trustee to replace the successor Trustee appointed by the Company.

If a successor Trustee with respect to the Securities of any one or more Series does not take office within 60 days after the retiring Trustee resigns or is removed, the retiring Trustee, the Company or the Holders of at least a majority in principal amount of the Securities of the applicable Series may petition any court of competent jurisdiction for the appointment of a successor Trustee.

A successor Trustee shall deliver a written acceptance of its appointment to the retiring Trustee and to the Company. Immediately after that, the retiring Trustee shall transfer all property held by it as Trustee to the successor Trustee subject to the lien provided for in Section 7.7, the resignation or removal of the retiring Trustee shall become effective, and the successor Trustee shall have all the rights, powers and duties of the Trustee with respect to each Series of Securities for which it is acting as Trustee under this Indenture. A successor Trustee shall mail a notice of its succession to each Securityholder of each such Series and, if any Bearer Securities are outstanding, publish such notice on one occasion in an Authorized Newspaper. Notwithstanding replacement of the Trustee pursuant to this Section 7.8, the Company's obligations under Section 7.7 hereof shall continue for the benefit of the retiring Trustee with respect to expenses and liabilities incurred by it prior to such replacement.

SECTION 7.9 Successor Trustee by Merger, Etc.

If the Trustee consolidates with, merges or converts into, or transfers all or substantially all of its corporate trust business to, another corporation, the successor corporation without any further act shall be the successor Trustee.

SECTION 7.10 Eligibility; Disqualification.

This Indenture shall always have a Trustee who satisfies the requirements of TIA Section 310(a)(1), (2) and (5). The Trustee shall always have a combined capital and surplus of at least \$25,000,000 as set forth in its most recent published annual report of condition. The Trustee shall comply with TIA Section 310(b).

SECTION 7.11 Referential Collection of Claims Against Company.

The Trustee is subject to TIA Section 311(a), excluding any creditor relationship listed in TIA Section 311(b). A Trustee who has resigned or been removed shall be subject to TIA Section 311(a) to the extent indicated.

ARTICLE VIII

SATISFACTION AND DISCHARGE; DEFEASANCE

SECTION 8.1 Satisfaction and Discharge of Indenture.

This Indenture shall upon Company Order cease to be of further effect (except as hereinafter provided in this Section 8.1), and the Trustee, at the expense of the Company, shall execute instruments acknowledging satisfaction and discharge of this Indenture, when

- (a) either:
 - (i) all Securities theretofore authenticated and delivered (other than Securities that have been destroyed, lost or stolen and that have been replaced or paid) have been delivered to the Trustee for cancellation; or

- (ii) all such Securities not theretofore delivered to the Trustee for cancellation (1) have become due and payable, or (2) will become due and payable at their Stated Maturity within one year, or (3) are to be called for redemption within one year under arrangements satisfactory to the Trustee for the giving of notice of redemption by the Trustee in the name, and at the expense, of the Company; and the Company has irrevocably deposited or caused to be deposited with the Trustee as trust funds in trust an amount sufficient for the purpose of paying and discharging the entire indebtedness on such Securities not theretofore delivered to the Trustee for cancellation, for principal and interest to the date of such deposit (in the case of Securities which have become due and payable on or prior to the date of such deposit) or to the Stated Maturity or redemption date, as the case may be;
- (b) the Company has paid or caused to be paid all other sums payable hereunder by the Company; and
- (c) the Company has delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the satisfaction and discharge of this Indenture have been complied with.

Notwithstanding the satisfaction and discharge of this Indenture, the obligations of the Company under Section 7.7, and, if money shall have been deposited with the Trustee pursuant to clause (a) of this Section, the provisions of Sections 2.4, 2.7, 2.8, 8.1, 8.2 and 8.5 shall survive.

SECTION 8.2 Application of Trust Funds; Indemnification.

- (a) Subject to the provisions of Section 8.5, all money deposited with the Trustee pursuant to Section 8.1, all money and U.S. Government Obligations deposited with the Trustee pursuant to Section 8.3 or 8.4 and all money received by the Trustee in respect of U.S. Government Obligations deposited with the Trustee pursuant to Section 8.3 or 8.4, shall be held in trust and applied by it, in accordance with the provisions of the Securities and this Indenture, to the payment, either directly or through any Paying Agent (other than the Company acting as its own Paying Agent) as the Trustee may determine, to the persons entitled thereto, of the principal and interest for whose payment such money has been deposited with or received by the Trustee or to make mandatory sinking fund payments or analogous payments as contemplated by Sections 8.3 or 8.4.
- (b) The Company shall pay and shall indemnify the Trustee against any tax, fee or other charge imposed on or assessed against U.S. Government Obligations deposited pursuant to Sections 8.3 or 8.4 or the interest and principal received in respect of such obligations other than any payable by or on behalf of Holders.
- (c) The Trustee shall deliver or pay to the Company from time to time upon Company Request any U.S. Government Obligations or money held by it as provided in Sections 8.3 or 8.4 which, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Trustee, are then in excess of the amount thereof which then would have been required to be deposited for the purpose for which such U.S. Government Obligations or money were deposited or received. This provision shall not authorize the sale by the Trustee of any U.S. Government Obligations held under this Indenture.

SECTION 8.3 Legal Defeasance of Securities of any Series.

In addition to the discharge of the Indenture pursuant to Section 8.1, unless this Section 8.3 is otherwise specified, pursuant to Section 2.2.16, to be inapplicable to Securities of any Series, the Company shall be deemed to have paid and discharged the entire indebtedness on all the outstanding Securities of any Series on the 91st day after the date of the deposit referred to in subparagraph (c)(i) hereof, and the provisions of this Indenture, as it relates to such outstanding Securities of such Series, shall no longer be in effect (and the Trustee, at the expense of the Company, shall, at Company Request, execute instruments acknowledging the same), except as to:

- (a) the rights of Holders of Securities of such Series to receive, from the trust funds described in subparagraph (c)(i) hereof, (i) payment of the principal of and each installment of principal of and interest on the outstanding Securities of such Series on the Stated Maturity of such principal or installment of principal or interest and (ii) the benefit of any mandatory sinking fund payments applicable to the Securities of such Series on the day on which such payments are due and payable in accordance with the terms of this Indenture and the Securities of such Series;
- (b) the provisions of Sections 2.4, 2.7, 2.8, 7.7, 8.2, 8.3, and 8.5; and
- (c) the rights, powers, trust and immunities of the Trustee hereunder;

provided that, the following conditions shall have been satisfied:

- (i) the Company shall have deposited or caused to be irrevocably deposited (except as provided in Section 8.2(c)) with the Trustee as trust funds in trust for the purpose of making the following payments, specifically pledged as security for and dedicated solely to the benefit of the Holders of such Securities, cash in Dollars and/or U.S. Government Obligations, which through the payment of interest and principal in respect thereof in accordance with their terms, will provide (and without reinvestment and assuming no tax liability will be imposed on such Trustee), not later than one day before the due date of any payment of money, an amount in cash, sufficient, in the opinion of a nationally recognized firm of independent public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge each installment of principal of and interest, if any, on and any mandatory sinking fund payments in respect of all the Securities of such Series on the dates such installments of interest or principal and such sinking fund payments are due;
- (ii) such deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;
- (iii) no Default or Event of Default with respect to the Securities of such Series shall have occurred and be continuing on the date of such deposit or during the period ending on the 91st day after such date;
- (iv) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel to the effect that (i) the Company has received from, or there has been published by, the Internal Revenue Service a ruling, or (ii) since the date of execution of this Indenture, there has been a change in the applicable

Federal income tax law, in either case to the effect that, and based thereon such Opinion of Counsel shall confirm that, the Holders of the Securities of such Series will not recognize income, gain or loss for Federal income tax purposes as a result of such deposit, defeasance and discharge and will be subject to Federal income tax on the same amounts and in the same manner and at the same times as would have been the case if such deposit, defeasance and discharge had not occurred;

- (v) the Company shall have delivered to the Trustee an Officers' Certificate stating that the deposit was not made by the Company with the intent of preferring the Holders of the Securities of such Series over any other creditors of the Company or with the intent of defeating, hindering, delaying or defrauding any other creditors of the Company; and
- (vi) the Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent provided for relating to the defeasance contemplated by this Section have been complied with.

SECTION 8.4 Covenant Defeasance.

Unless this Section 8.4 is otherwise specified, pursuant to Section 2.2.16, to be inapplicable to Securities of any Series, on and after the 91st day after the date of the deposit referred to in subparagraph (a) hereof, the Company may omit to comply with respect to the Securities of any Series with any term, provision or condition set forth under Sections 4.2, 4.3, 4.4, 4.6, 5.1 and 5.2 as well as any additional covenants specified in a supplemental indenture for such Series of Securities or a Board Resolution or an Officers' Certificate delivered pursuant to Section 2.2 (and the failure to comply with any such covenants shall not constitute a Default or Event of Default with respect to such Series under Section 6.1) and the occurrence of any event specified in a supplemental indenture for such Series of Securities or a Board Resolution or an Officers' Certificate delivered pursuant to Section 2.2 and designated as an Event of Default relating to Sections 4.2, 4.3, 4.4, 4.6, 5.1, 5.2 and such other Section shall not constitute a Default or Event of Default hereunder, with respect to the Securities of such Series, provided that the following conditions shall have been satisfied:

- (a) With reference to this Section 8.4, the Company has deposited or caused to be irrevocably deposited (except as provided in Section 8.2(c)) with the Trustee as trust funds in trust for the purpose of making the following payments specifically pledged as security for, and dedicated solely to, the benefit of the Holders of such Securities, cash in Dollars and/or U.S. Government Obligations, which through the payment of interest and principal in respect thereof in accordance with their terms, will provide (and without reinvestment and assuming no tax liability will be imposed on such Trustee), not later than one day before the due date of any payment of money, an amount in cash, sufficient, in the opinion of a nationally recognized firm of independent certified public accountants expressed in a written certification thereof delivered to the Trustee, to pay and discharge each installment of principal of and interest, if any, on and any mandatory sinking fund payments in respect of the Securities of such Series on the dates such installments of interest or principal and such sinking fund payments are due;
- (b) Such deposit will not result in a breach or violation of, or constitute a default under, this Indenture or any other agreement or instrument to which the Company is a party or by which it is bound;

- (c) No Default or Event of Default with respect to the Securities of such Series shall have occurred and be continuing on the date of such deposit or during the period ending on the 91st day after such date;
- (d) The Company shall have delivered to the Trustee an Opinion of Counsel to the effect that Holders of the Securities of such Series will not recognize income, gain or loss for federal income tax purposes as a result of such deposit and covenant defeasance and will be subject to federal income tax on the same amounts, in the same manner and at the same times as would have been the case if such deposit and covenant defeasance had not occurred; and
- (e) The Company shall have delivered to the Trustee an Officers' Certificate and an Opinion of Counsel, each stating that all conditions precedent herein provided for relating to the covenant defeasance contemplated by this Section have been complied with.

SECTION 8.5 Repayment to Company.

The Trustee and the Paying Agent shall pay to the Company upon request any money held by them for the payment of principal and interest that remains unclaimed for two years. After that, Securityholders entitled to the money must look to the Company for payment as general creditors unless an applicable abandoned property law designates another person.

ARTICLE IX

AMENDMENTS AND WAIVERS

SECTION 9.1 Without Consent of Holders.

The Company and the Trustee may amend or supplement this Indenture or the Securities of one or more Series without the consent of any Securityholder:

- (a) to cure any ambiguity, defect or inconsistency;

- (c) to provide for uncertificated Securities in addition to or in place of certificated Securities;
- (d) to make any change that does not adversely affect the rights of any Securityholder;
- (e) to provide for the issuance of and establish the form and terms and conditions of Securities of any Series as permitted by this Indenture;
- (f) to evidence and provide for the acceptance of appointment hereunder by a successor Trustee with respect to the Securities of one or more Series and to add to or change any of the provisions of this Indenture as shall be necessary to provide for or facilitate the administration of the trusts hereunder by more than one Trustee; or
- (g) to comply with requirements of the SEC in order to effect or maintain the qualification of this Indenture under the TIA;

Provided that such amendment or supplement does not have a material and adverse effect on the rights, preferences or privileges of the Trustee and the Noteholders.

SECTION 9.2 With Consent of Holders.

The Company and the Trustee may enter into a supplemental indenture with the written consent of the Holders of at least a majority in principal amount of the outstanding Securities of each Series affected by such supplemental indenture (including consents obtained in connection with a tender offer or exchange offer for the Securities of such Series), for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of this Indenture or of any supplemental indenture or of modifying in any manner the rights of the Securityholders of each such Series. Except as provided in Section 6.13, the Holders of at least a majority in principal amount of the outstanding Securities of any Series by notice to the Trustee (including consents obtained in connection with a tender offer or exchange offer for the Securities of such Series) may waive compliance by the Company with any provision of this Indenture or the Securities with respect to such Series.

It shall not be necessary for the consent of the Holders of Securities under this Section 9.2 to approve the particular form of any proposed supplemental indenture or waiver, but it shall be sufficient if such consent approves the substance thereof. After a supplemental indenture or waiver under this section becomes effective, the Company shall give to the Holders of Securities affected thereby in accordance with Section 10.2, a notice briefly describing the supplemental indenture or waiver. Any failure by the Company to mail or publish such notice, or any defect therein, shall not, however, in any way impair or affect the validity of any such supplemental indenture or waiver.

SECTION 9.3 Limitations.

Without the consent of each Securityholder affected, an amendment or waiver may not:

- (a) reduce the amount of Securities whose Holders must consent to an amendment, supplement or waiver;
- (b) reduce the rate of or extend the time for payment of interest (including default interest) on any Security;
- (c) reduce the principal or change the Stated Maturity of any Security or reduce the amount of, or postpone the date fixed for, the payment of any sinking fund or analogous obligation;
- (d) reduce the principal amount of Discount Securities payable upon acceleration of the maturity thereof;
- (e) waive a Default or Event of Default in the payment of the principal of or interest, if any, on any Security (except a rescission of acceleration of the Securities of any Series by the Holders of at least a majority in principal amount of the outstanding Securities of such Series and a waiver of the payment default that resulted from such acceleration);
- (f) make the principal of or interest, if any, on any Security payable in any currency other than that stated in the Security;
- (g) make any change in Sections 6.8, 6.13, or 9.3 (this sentence); or
- (h) waive a redemption payment with respect to any Security.

SECTION 9.4 Compliance with Trust Indenture Act.

Every amendment to this Indenture or the Securities of one or more Series shall be set forth in a supplemental indenture hereto that complies with the TIA as then in effect.

SECTION 9.5 Revocation and Effect of Consents.

Until an amendment is set forth in a supplemental indenture or a waiver becomes effective, a consent to it by a Holder of a Security is a continuing consent by the Holder and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security, even if notation of the consent is not made on any Security. However, any such Holder or subsequent Holder may revoke the consent as to his Security or portion of a Security if the Trustee receives the notice of revocation before the date of the supplemental indenture or the date the waiver becomes effective.

Any amendment or waiver once effective shall bind every Securityholder of each Series affected by such amendment or waiver unless it is of the type described in any of clauses (a) through (h) of Section 9.3. In that case, the amendment or waiver shall bind each Holder of a Security who has consented to it and every subsequent Holder of a Security or portion of a Security that evidences the same debt as the consenting Holder's Security.

SECTION 9.6 Notation on or Exchange of Securities.

The Trustee may place an appropriate notation about an amendment or waiver on any Security of any Series thereafter authenticated. The Company in exchange for Securities of that Series may issue and the Trustee shall authenticate upon request new Securities of that Series that reflect the amendment or waiver.

SECTION 9.7 Trustee Protected.

In executing, or accepting the additional trusts created by, any supplemental indenture permitted by this Article or the modifications thereby of the trusts created by this Indenture, the Trustee shall be entitled to receive, and (subject to Section 7.1) shall be fully protected in relying upon, an Opinion of Counsel stating that the execution of such supplemental indenture is authorized or permitted by this Indenture. The Trustee shall sign all supplemental indentures, except that the Trustee need not sign any supplemental indenture that adversely affects its rights.

SINKING FUNDS

SECTION 11.1 Applicability of Article.

The provisions of this Article shall be applicable to any sinking fund for the retirement of the Securities of a Series, except as otherwise permitted or required by any form of Security of such Series issued pursuant to this Indenture.

The minimum amount of any sinking fund payment provided for by the terms of the Securities of any Series is herein referred to as a "**mandatory sinking fund payment**" and any other amount provided for by the terms of Securities of such Series is herein referred to as an "**optional sinking fund payment**."

If provided for by the terms of Securities of any Series, the cash amount of any sinking fund payment may be subject to reduction as provided in Section 11.2. Each sinking fund payment shall be applied to the redemption of Securities of any Series as provided for by the terms of the Securities of such Series.

SECTION 11.2 Satisfaction of Sinking Fund Payments with Securities.

The Company may, in satisfaction of all or any part of any sinking fund payment with respect to the Securities of any Series to be made pursuant to the terms of such Securities (1) deliver outstanding Securities of such Series to which such sinking fund payment is applicable (other than any of such Securities previously called for mandatory sinking fund redemption) and (2) apply as credit Securities of such Series to which such sinking fund payment is applicable and which have been repurchased by the Company or redeemed either at the election of the Company pursuant to the terms of such Series of Securities (except pursuant to any mandatory sinking fund) or through the application of permitted optional sinking fund payments or other optional redemptions pursuant to the terms of such Securities, provided that such Securities have not been previously so credited. Such Securities shall be received by the Trustee, together with an Officers' Certificate with respect thereto, not later than 15 days prior to the date on which the Securities are selected for redemption, and shall be credited for such purpose by the Trustee at the price specified in such Securities for redemption through operation of the sinking fund and the amount of such sinking fund payment shall be reduced accordingly. If as a result of the delivery or credit of Securities in lieu of cash payments pursuant to this Section 11.2, the principal amount of Securities of such Series to be redeemed in order to exhaust the aforesaid cash payment shall be less than \$100,000, the Securities of such Series need not be called for redemption, except upon receipt of a Company Order that such action be taken, and such cash payment shall be held by the Trustee or a Paying Agent and applied to the next succeeding sinking fund payment, provided, however, that the Trustee or such Paying Agent shall from time to time upon receipt of a Company Order pay over and deliver to the Company any cash payment so being held by the Trustee or such Paying Agent upon delivery by the Company to the Trustee of Securities of that Series purchased by the Company having an unpaid principal amount equal to the cash payment required to be released to the Company.

SECTION 11.3 Redemption of Securities for Sinking Fund.

Not less than 45 days (unless otherwise indicated in the Board Resolution, supplemental indenture or Officers' Certificate in respect of a particular Series of Securities) prior to each sinking fund payment date for any Series of Securities, the Company will deliver to the Trustee an Officers' Certificate specifying the amount of the next ensuing mandatory sinking fund payment for that Series pursuant to the terms of that Series, the portion thereof, if any, which is to be satisfied by payment of cash and the portion thereof, if any, which is to be satisfied by delivering and crediting of Securities of that Series pursuant to Section 11.2, and the optional amount, if any, to be added in cash to the next ensuing mandatory sinking fund payment, and the Company shall thereupon be obligated to pay the amount therein specified. Not less than 30 days (unless otherwise indicated in the Board Resolution, Officers' Certificate or supplemental indenture in respect of a particular Series of Securities) before each such sinking fund payment date, the Securities to be redeemed upon such sinking fund payment date shall be selected in the manner specified in Section 3.2 and the Trustee cause notice of the redemption thereof to be given in the name of and at the expense of the Company in the manner provided in Section 3.3. Such notice having been duly given, the redemption of such Securities shall be made upon the terms and in the manner stated in Sections 3.4, 3.5 and 3.6.

FIRST SUPPLEMENTAL INDENTURE

FIRST SUPPLEMENTAL INDENTURE (this “*First Supplemental Indenture*”), dated as of August 14, 2015, between UNITED COMMUNITY BANKS, INC., a Georgia corporation (the “*Company*”), and THE BANK OF NEW YORK MELLON TRUST COMPANY, N.A., a national association, as trustee (the “*Trustee*”).

WHEREAS, the Company entered into to an Indenture dated as of August 14, 2015 (the “*Original Indenture*”), with the Trustee;

WHEREAS, the Original Indenture is incorporated herein by this reference and the Original Indenture, as supplemented by this First Supplemental Indenture, is herein called the “*Indenture*”;

WHEREAS, the Original Indenture provides for the issuance from time to time of the Company’s senior debentures, notes or other debt instruments (therein called the “*Securities*”), in an unlimited principal amount to be issued in one or more series as contemplated therein;

WHEREAS, pursuant to the terms of the Original Indenture, the Company desires by this First Supplemental Indenture to establish a new Series of Securities to be known as its 5.50% Senior Fixed to Floating Rate Notes due February 14, 2027 (the “*Senior Notes*”);

WHEREAS, the Company has duly authorized the execution and delivery of this First Supplemental Indenture to establish the Senior Notes as a Series of Securities under the Original Indenture and to provide for, among other things, the issuance and form of the Senior Notes and the terms, provision, and conditions thereof; and

WHEREAS, the Company desires and has requested the Trustee to join with it in the execution and delivery of this First Supplemental Indenture, and all requirements necessary to make this First Supplemental Indenture a valid instrument, in accordance with its terms, and to make the Senior Notes, when executed by the Company and authenticated and delivered by the Trustee, the valid obligations of the Company, have been satisfied;

NOW THEREFORE, in consideration of the agreements and obligations set forth herein and for other good and valuable consideration, the sufficiency of which is hereby acknowledged, the parties hereto hereby agree as follows:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

SECTION 1.1 Definitions.

The following defined terms used herein shall, unless the context otherwise requires, have the meanings specified below. Capitalized terms used herein for which no definition is provided herein shall have the meanings set forth in the Original Indenture.

“*Additional Notes*” means any Senior Notes issued under this First Supplemental Indenture at any time after the date hereof, in addition to the Initial Notes, and having the same terms in all respects as the Senior Notes (except for the issue date, issue price and, if applicable, the date from which interest thereon shall begin to accrue, the initial interest payment date), which if issued, will be treated with the Initial Notes as single Series and single class of Securities with the Senior Notes for all purposes under the Indenture.

“Capital Stock” means (i) in the case of a corporation, corporate stock, (ii) in the case of an association or business entity, any and all shares, interests, participations, rights or other equivalents (however designated) of corporate stock, (iii) in the case of a partnership or limited liability company, partnership or membership interests (whether general or limited) and (iv) any other interest or participation that confers on a person the right to receive a share of the profits and losses of, or distribution of assets of, the issuing person.

“Consolidated Assets” means all assets owned directly by the Company or indirectly by the Company through any Subsidiary and reflected on the Company’s consolidated balance sheet prepared in accordance with GAAP.

If the rate described above does not appear on such Bloomberg Screen page, LIBOR will be determined on the basis of the rates at which deposits in U.S. dollars for a three-month period and in a principal amount of not less than \$1,000,000 are offered to prime banks in the London interbank market by four major banks in the London interbank market selected by the Company, at approximately 11:00 a.m., London time on the second London Banking Day preceding the first day of that Interest Reset Period. The Company will request the principal London office of each of such banks to provide a quotation of its rate. If at least two such quotations are provided, LIBOR with respect to that Interest Reset Period will be the arithmetic mean (rounded upward

if necessary to the nearest .00001 of 1%) of such quotations. If fewer than two quotations are provided, LIBOR with respect to that Interest Reset Period will be the arithmetic mean (rounded upward if necessary to the nearest .00001 of 1%) of the rates quoted by three major banks in New York, New York, selected by the Company, at approximately 11:00 a.m., New York City time, on the first day of that Interest Reset Period for loans in U.S. dollars to leading European banks for a three-month period and in a principal amount of not less than \$1,000,000. However, if the banks selected by the Company to provide quotations are not quoting as described above, LIBOR for that Interest Reset Period will be the same as LIBOR as determined for the previous Interest Reset Period or, in the case of the first Interest Reset Period, 2.290%. The establishment of LIBOR will be final and binding in the absence of manifest error.

ARTICLE II
THE SENIOR NOTES

SECTION 2.1 Designation and Issuance of Senior Notes.

2.1.1 There is hereby created a Series of Securities designated, as previously recited, as the Company's "5.50% Fixed to Floating Rate Senior Notes due February 14, 2027." In accordance with Section 2.3 of the Original Indenture, the Trustee will, upon receipt of an Officers' Certificate and an Opinion of Counsel, in each case complying with Section 10.4 of the Original Indenture, and a Company Order directing the Trustee to authenticate the Initial Notes, authenticate the Initial Notes.

2.1.2 The aggregate principal amount of Senior Notes which may be authenticated and delivered under this First Supplemental Indenture is unlimited. The aggregate principal amount of Initial Notes which may be authenticated and delivered under this First Supplemental Indenture on the Issue Date is \$35,000,000 (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of the Series pursuant to Sections 2.7, 2.8, 2.11, 3.6 or 9.6 of the Original Indenture), and the Senior Notes shall be denominated and payable in United States Dollars. The Initial Notes will be issued at a price to the public of 100% of the principal amount thereof.

2.1.3 The Senior Notes constitute a senior unsecured general obligation of the Company, ranking equally with other existing and future senior unsecured Indebtedness of the Company and ranking senior in right of payment to the Junior Subordinated Debt and any future Indebtedness of the Company that is expressly made subordinate to the Senior Notes by the terms of such Indebtedness.

SECTION 2.2 Form and Terms of Senior Notes.

2.2.1 The principal amount of the Senior Notes outstanding (together with any accrued unpaid interest and other amounts) shall be payable in accordance with the terms and conditions set forth in the Indenture and the Senior Notes on any Redemption Date and on the Maturity Date.

2.2.2 Interest on the Senior Notes shall be payable semi-annually on each February 14 and August 14 up to and including August 14, 2025, with interest accruing from and including August 14, 2015 to but excluding August 14, 2025, at an initial rate of 5.50% per year, and interest shall be payable quarterly thereafter on February 14, May 14, August 14 and November 14, of each year through the Maturity Date or early Redemption Date, with such interest accruing from and including August 14, 2025, at a floating rate per annum equal to 3-month LIBOR plus 3.71%, to the person in whose name the Senior Notes (or one or more predecessor Senior Notes) are registered at the close of business on the Record Date for such Interest Payment Date, unless otherwise specified in a writing by the holder of such Senior Notes to the Trustee and the Company. Payments of interest on the Senior Notes will include interest accrued to but excluding the respective Interest Payment Dates. The floating rate for each Interest Reset Period shall be calculated by the Company and notified to the Trustee on the Interest Payment Date occurring during such Interest Reset Period. Interest payments for the Senior Notes during the fixed period shall be computed and paid on the basis of a 360-day year of twelve 30-day months and interest during the floating period shall be calculated based upon the actual number of days during the period divided by 360 days. In the event that any date on which interest is payable on the Senior Notes during the fixed rate period is not a Business Day, then a payment of the interest payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay), with the same force and effect as if made on the date the payment was originally payable. In the event that an Interest Payment Date occurring during the floating rate period is not a Business Day, the Company will pay interest on the next day that is a Business Day, unless it would thereby fall in the next succeeding

calendar month, in which case such Interest Payment Date will be brought forward to the immediately preceding Business Day, and no interest will accrue or fail to accrue as a result of that postponement or earlier payment.

2.2.3 Except as otherwise provided by the Senior Notes, the place of payment where the Senior Notes may be presented or surrendered for payment, where the Senior Notes may be surrendered for registration of transfer or exchange (to the extent required or permitted, as applicable, by the terms of the Senior Notes) and where notices and demand to or upon the Trustee in respect of the Senior Notes and the Indenture may be served shall be the office of the Paying Agent from time to time, which shall initially be The Bank of New York Mellon Trust Company, N.A., c/o The Bank of New York Mellon, 111 Sanders Creek Parkway, East Syracuse, New York 13057.

2.2.4 The Senior Notes shall be issuable in whole or in part in the form of one or more registered Global Securities, substantially in the form set forth in Exhibit A hereto, registered in the name of the Depository or its nominee. The Company has initially appointed The Depository Trust Company, New York, New York, to act as Depository with respect to such Global Securities. Except under the limited circumstances described below, Senior Notes represented by the Global Security will not be exchangeable for, and will not otherwise be issuable as, Senior Notes in definitive form. The Global Securities described above may not be transferred except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such a successor Depository.

Owners of beneficial interests in such a Global Security will not be considered the Holders thereof for any purpose under the Indenture, and no Global Security representing a Senior Note shall be exchangeable, except for another Global Security of like denomination and tenor to be registered in the name of the Depository or its nominee or to a successor Depository or its nominee. The rights of Holders of such Global Security shall be exercised only through the Depository.

A Global Security shall be exchangeable for Senior Notes registered in the names of persons other than the Depository or its nominee only if (i) the Depository notifies the Company that it is unwilling or unable to continue as a Depository for such Global Security and no successor Depository shall have been appointed by the Company, or if at any time the Depository ceases to be a clearing agency registered under the Securities Exchange Act of 1934, as amended, at a time when the Depository is required to be so registered to act as such Depository and no successor Depository shall have been appointed by the Company, in each case within 90 calendar days after the Company receives such notice or becomes aware of such cessation, (ii) the Company in its sole discretion determines that such Global Security shall be so exchangeable, or (iii) there shall have occurred an Event of Default with respect to the Senior Notes. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Senior Notes registered in such names as the Depository shall direct in writing in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

2.2.5 The Senior Notes are not convertible into Securities of any other Series.

2.2.6 Notwithstanding anything to the contrary in the Original Indenture, the requisite percentage of Holders of Senior Notes able to give a "Notice of Default" pursuant to Section 6.1(d) of the Original Indenture shall be 25% of the aggregate principal amount of the outstanding Senior Notes.

2.2.7 In addition to the "Events of Default" specified in Section 6.1 of the Original Indenture, it shall also be an "Event of Default" with respect to the Senior Notes if: the Company shall default under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company or the Material Subsidiary having an aggregate principal amount outstanding of at least \$25,000,000, or under

any mortgage, indenture or instrument (including this Indenture) under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company or the Material Subsidiary having an aggregate principal amount outstanding of at least \$25,000,000, whether such indebtedness now exists or is created or incurred in the future, which default (i) constitutes a failure to pay any portion of the principal of such indebtedness when due and payable after the expiration of any applicable grace period or (ii) results in such indebtedness becoming due or being declared due and payable prior to the date on which it otherwise would have become due and payable without, in the case of clause (i), such indebtedness having been discharged or, in the case of clause (ii), without such indebtedness having been discharged or such acceleration having been rescinded or annulled.

2.2.8 Notwithstanding anything to the contrary in the Original Indenture, the requisite percentage of Holders of Senior Notes able to declare the principal amount thereof (and accrued and unpaid interest, if any) due and payable pursuant to Section 6.2 of the Original Indenture shall be 25% of the aggregate principal amount of the outstanding Senior Notes.

2.2.9 Notwithstanding anything to the contrary in the Original Indenture, the requisite percentage of Holders of Senior Notes able to make written request to the Trustee to institute proceedings in respect of an Event of Default in its own name as Trustee hereunder pursuant to Section 6.7(b) of the Original Indenture shall be 25% of the aggregate principal amount of the outstanding Senior Notes.

2.2.10 So long as any of the Senior Notes are outstanding but subject to the provisions of Article V of the Original Indenture, the Company covenants that it:

(a) will not, nor will it permit the Material Subsidiary to, directly or indirectly, sell or otherwise dispose of any shares of, securities convertible into, or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of the Material Subsidiary, nor will the Company permit the Material Subsidiary to issue any shares of, or securities convertible into, or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of the Material Subsidiary if, in each case, after giving effect to any such transaction and to the issuance of the maximum number of shares of Voting Stock of the Material Subsidiary issuable upon the exercise of all such convertible securities, options, warrants or rights, the Company would cease to own, directly or indirectly, at least 80% of the issued and outstanding Voting Stock of the Material Subsidiary; and

(b) will not permit the Material Subsidiary to:

(i) merge or consolidate with or into any corporation or other person, unless the Company is the surviving corporation or person, or unless, upon consummation of the merger or consolidation, the Company will own, directly or indirectly, at least 80% of the surviving corporation's issued and outstanding Voting Stock; or

(ii) lease, sell, assign or transfer all or substantially all of its properties and assets to any person (other than the Company), unless, upon such sale, assignment or transfer, the Company will own, directly or indirectly, at least 80% of the issued and outstanding Voting Stock of that person.

Notwithstanding the foregoing, any such sale, assignment or transfer of securities, any such merger or consolidation or any such lease, sale, assignment or transfer of properties and assets shall not be prohibited if: (A) required by law, such lease, sale, assignment or transfer of securities is made to any person for the purpose of the qualification of such person to serve as a director; (B) such lease, sale, assignment or transfer of securities is made by the Company or any of its Subsidiaries acting in a fiduciary capacity for any person other than the Company or any Subsidiary; (C) made in connection with

the consolidation of the Company with or the sale, lease or conveyance of all or substantially all of the assets of the Company to, or merger of the Company with or into any other person (as to which Article V of the Original Indenture shall apply); (D) required by any law or any rule, regulation or order of any governmental agency or authority; or (E) required as a condition imposed by any law or any rule, regulation or order of any governmental agency or authority to the acquisition by the Company, directly or indirectly, through purchase of stock or assets, merger, consolidation or otherwise, of any person; provided, that, in the case of (E) only, after giving effect to such disposition and acquisition, (y) at least 80% of the issued and outstanding Voting Stock of such person will be owned, directly or indirectly, by the Company and (z) the Consolidated Assets of the Company will be at least equal to 70% of the Consolidated Assets of the Company prior thereto; and nothing in this section shall prohibit the Company or the Material Subsidiary from the sale or transfer of assets pursuant to any securitization transaction or the pledge of any assets to secure borrowings incurred in the ordinary course of business, including, without limitation, deposit liabilities, mortgage escrow funds, reverse repurchase agreements, Federal Home Loan Bank advances, recourse obligations incurred in connection with the Material Subsidiary's lending activities and letters of credit.

2.2.11 So long as any of the Senior Notes are outstanding but subject to the provisions of Article V of the Original Indenture, the Company covenants that it will not, nor will the Company permit the Material Subsidiary to, create, assume, incur or suffer to be created, assumed or incurred or to exist, any pledge, encumbrance or lien, as security for Indebtedness for borrowed money, upon any shares of Voting Stock of the Material Subsidiary (or securities convertible into, or options, warrants or rights to subscribe for or purchase shares of that Voting Stock), directly or indirectly, without making effective provision whereby the Senior Notes shall be equally and ratably secured with any and all such Indebtedness if, treating such pledge, encumbrance or lien as a transfer of the shares of, or securities convertible into or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of the Material Subsidiary subject thereto to the secured party and after giving effect to the issuance of the maximum number of shares of Voting Stock of the Material Subsidiary issuable upon the exercise of all such convertible securities, options, warrants or rights, the Company would not continue to own at least 80% of the issued and outstanding Voting Stock of the Material Subsidiary. Notwithstanding the foregoing, this Section shall not apply to any:

(a) pledge, encumbrance or lien upon any such shares of Voting Stock to secure (i) indebtedness of the Company or a Subsidiary as part of the purchase price of such shares of Voting Stock, or incurred prior to, at the time of or within 120 days after acquisition thereof for the purpose of financing all or any part of the purchase price thereof or (ii) other Indebtedness in an aggregate principal amount at any one time not exceeding \$50,000,000;

(b) lien for taxes, assessments or other government charges or levies (i) which are not yet due or payable without penalty, (ii) which the Company is contesting in good faith by appropriate proceedings so long as the Company has set aside on its books such reserves as shall be required in respect thereof in conformity with GAAP or (iii) which secure obligations of less than \$1,000,000 in amount;

(c) lien of any judgment, if that judgment (i) is discharged, or stayed on appeal or otherwise, within 60 days, (ii) is currently being contested in good faith by appropriate proceedings so long as the Company has set aside on its books such reserves as shall be required in respect thereof in conformity with GAAP or (iii) involves claims of less than \$1,000,000; or

(d) any pledge or lien on the Voting Stock of the Material Subsidiary to secure a loan or other extension of credit by a Subsidiary subject to Section 23A of the Federal Reserve Act.

In case the Company or the Material Subsidiary shall propose to create, assume, incur or suffer to be created, assumed or incurred or to exist, any pledge, encumbrance or lien, as security for Indebtedness for borrowed money, upon any shares of Voting Stock of the Material Subsidiary (or securities convertible into, or options, warrants or rights to subscribe for or purchase shares of that Voting Stock), directly or indirectly, other than as permitted by subdivisions (a) to (d), inclusive, of this Section, the Company will prior thereto give written notice thereof to the Trustee, and will prior to or simultaneously with such pledge, encumbrance or lien, by supplemental indenture delivered to the Trustee, in form satisfactory to it, effectively secure all the Senior Notes equally and ratably with such Indebtedness, by pledge, encumbrance or lien of such Voting Stock. Such supplemental indenture shall contain the provisions, concerning the possession, control, release and substitution of encumbered and pledged property and securities and other appropriate matters which are required or permitted by the TIA (as in effect at the date of execution of such supplemental indenture) to be included in a secured indenture qualified under the TIA, and may also contain such additional and mandatory provisions permitted by the TIA as the Company shall deem advisable or appropriate or as may otherwise be requested by the Trustee.

SECTION 2.3 Registrar and Paying Agent.

The Company initially appoints the Trustee to act as Registrar and Paying Agent with respect to the Senior Notes, and the Trustee hereby agrees so to initially act. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

SECTION 2.4 Optional Redemption of Senior Notes.

The Senior Notes shall have a par redemption and be redeemable, in whole or in part, at the option of the Company on any Redemption Date at the Redemption Price, and in accordance with the provisions set forth in the Indenture and Senior Notes.

SECTION 2.5 Issuances of Additional Notes.

The Company shall be entitled, upon delivery of an Officers' Certificate and an Opinion of Counsel, each complying with Section 10.4 of the Original Indenture, to issue Additional Notes under this First Supplemental Indenture. The Initial Notes issued on the Issue Date, and any Additional Notes issued shall be treated as a single Series and single class of Securities for all purposes under this First Supplemental Indenture and the Original Indenture.

At any time after the execution of this First Supplemental Indenture, the Company may deliver Additional Notes to the Trustee for authentication, together with an Officers' Certificate complying with Section 10.4 of the Original Indenture and a Company Order for the authentication and delivery of such Additional Notes, as well as an Opinion of Counsel complying with Section 10.4 of the Original Indenture. Subject to Section 2.3 of the Original Indenture, the Trustee shall thereafter authenticate and deliver such Additional Notes in accordance with such Officers' Certificate and Company Order. In authenticating such Additional Notes and accepting the additional responsibilities under this First Supplemental Indenture in relation to such Additional Notes, the Trustee shall be entitled to receive and fully protected in relying upon such Officers' Certificate, which such Officers' Certificate shall set forth any limit upon the aggregate principal amount of such Additional Notes to be authenticated and delivered under this First Supplemental Indenture and setting forth the issue price, the issue date and the CUSIP number of such Additional Notes and be prepared in accordance with Section 10.4 of the Original Indenture.

5.50% Senior Fixed to Floating Rate Notes Due February 14, 2027

Capitalized terms used herein shall have the meanings assigned to them in the Indenture referred to below unless otherwise indicated.

1. **Interest.** This Senior Note is one of the duly authorized issue of Securities of United Community Banks, Inc. (the “Company”), a Georgia corporation, of a Series designated as the “5.50% Senior Fixed to Floating Rate Notes due February 14, 2027” (herein called the “Senior Notes”) initially issued in an aggregate principal amount of \$ ____ on August 14, 2015. The Company promises to pay interest on the principal amount of this Senior Note semi-annually on each February 14 and August 14 up to and including August 14, 2025, with interest accruing from and including August 14, 2015 to but excluding August 14, 2025, at an initial rate of 5.50% per year, and quarterly thereafter on February 14, May 14, August 14 and November 14, of each year through the Maturity Date or early Redemption Date, with such interest accruing from and including August 14, 2025, at a floating rate per annum equal to 3-month LIBOR plus 3.71%. Interest payments for this Senior Note during the fixed period shall be computed and paid on the basis of a 360-day year of twelve 30-day months and interest during the floating period shall be calculated based upon the actual number of days during the period divided by 360 days. In the event that any date on which interest is payable on this Senior Note during the fixed rate period is not a Business Day, then a payment of the interest payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay), with the same force and effect as if made on the date the payment was originally payable. In the event that an Interest Payment Date occurring during the floating rate period is not a Business Day, the Company will pay interest on the next day that is a Business Day, unless it would thereby fall in the next succeeding calendar month, in which case such Interest Payment Date will be brought forward to the immediately preceding Business Day, and no interest will accrue or fail to accrue as a result of that postponement or earlier payment.

2. **Method of Payment.** The Company will pay interest on this Senior Note to the persons who are registered Holders of this Senior Note at the close of business on the Record Date for such Interest Payment Date, even if such Senior Note is canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Original Indenture (as herein defined) with respect to defaulted interest. The Senior Note will be payable as to principal, premium, if any, and interest at the office or agency of the Paying Agent appointed from time to time by the Company, whose address is initially The Bank of New York Mellon Trust Company, N.A., c/o The Bank of New York Mellon, 111 Sanders Creek Parkway, East Syracuse, New York 13057. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. **Paying Agent and Registrar.** Initially, The Bank of New York Mellon Trust Company, N.A., the trustee (“Trustee”) under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. **Indenture.** The Company and the Trustee entered into an Indenture dated as of August 14, 2015 (the “Original Indenture”) and a First Supplemental Indenture dated as of August 14, 2015 (the “First Supplemental Indenture” and together with the Original Indenture, the “Indenture”) setting forth certain terms of the Senior Notes. The terms of the Senior Notes include those stated in the

Indenture and those made part of the Indenture by reference to the TIA. The Senior Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Senior Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Senior Notes are unsecured obligations of the Company.

5. Denominations, Transfer, Exchange. The Senior Notes are in registered form without coupons in denominations of \$1,000 and integral multiples of \$1,000 in excess thereof. The transfer of Senior Notes may be registered and Senior Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Senior Notes during the period between a record date and the next succeeding Interest Payment Date.

6. Persons Deemed Owners. The registered Holder of a Senior Note may be treated as its owner for all purposes.

7. Amendment, Supplement and Waiver. Subject to certain exceptions and the applicable provisions of the Indenture, the Indenture or the Senior Notes may be amended or supplemented with the written consent of the Holders of at least a majority in principal amount of the then outstanding Senior Notes (including, without limitation, consents obtained in connection with a tender offer or exchange offer for the Senior Notes), for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of the Holders of the Senior Notes. Subject to applicable provisions of the Indenture, Holders of a majority in principal amount of the then outstanding Senior Notes by notice to the Trustee (including consents obtained in connection with a tender offer or exchange offer for the Senior Notes) may waive compliance by the Company with any provision of the Indenture or the Senior Notes with respect to the Senior Notes. As provided in the Indenture, without the consent of any Holder of a Senior Note, the Indenture or the Senior Notes may be amended or supplemented to, among other things, cure any ambiguity, defect or inconsistency; provide for uncertificated Senior Notes in addition to or in place of certificated Senior Notes; or make any other change that does not adversely affect the rights of any Holder.

8. Defaults and Remedies. If an Event of Default with respect to the Senior Notes occurs and is continuing, the principal amount of the Senior Notes, together with accrued and unpaid interest to the date of declaration may be declared to be due and payable immediately in the manner and with the effect provided in the Indenture. Holders of Senior Notes may not enforce the Indenture or the Senior Notes except as provided in the Indenture. The Trustee is not obligated to enforce the Indenture or the Senior Notes unless it has received indemnity satisfactory to it. The Indenture permits, subject to certain limitations therein provided, Holders of a majority in aggregate principal amount of the Senior Notes then outstanding to direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of Senior Notes notice of certain continuing Defaults or Events of Default if and so long as its corporate trust committee or a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Senior Notes. No reference herein to the Indenture and no provision of the Senior Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on the Senior Notes at the times, place and rate, and in the coin or currency, herein prescribed.

9. No Sinking Fund. There is no sinking fund provided for the Senior Notes.

10. Trustee Dealings with Company. The Trustee, in its individual or any other capacity, may become the owner or pledgee of Senior Notes and may otherwise deal with the Company or any affiliate of the Company with the same rights it would have if it were not the Trustee.

11. Discharge and Defeasance. Subject to certain conditions, the Company at any time shall be entitled to terminate some or all of its obligations under the Senior Notes and the Indenture if the Company deposits with the Trustee cash in United States Dollars in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, on and interest on the outstanding Senior Notes on the stated maturity.

12. No Recourse Against Others. A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Senior Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. Each Holder of the Senior Notes, by accepting the Senior Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Senior Notes.

13. Authentication. This Senior Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

14. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= custodian), and U/G/M/A (= Uniform Gifts to Minors Act). Additional abbreviations may also be used though not in the above list.

15. CUSIP Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company may cause CUSIP numbers to be printed on the Senior Notes.

16. Available Information. The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

ARTICLE I
DEFINITIONS AND OTHER PROVISIONS OF GENERAL APPLICATION

SECTION 1.1 Definitions.

The following defined terms used herein shall, unless the context otherwise requires, have the meanings specified below. Capitalized terms used herein for which no definition is provided herein shall have the meanings set forth in the Original Indenture.

"*Additional Notes*" means any Senior Notes issued under this Second Supplemental Indenture at any time after the date hereof, in addition to the Initial Notes, and having the same terms in all respects as the Senior Notes (except for the issue date, issue price and, if applicable, the date from which interest thereon shall begin to accrue, the initial interest payment date), which if issued, will be treated with the Initial Notes as single Series and single class of Securities with the Senior Notes for all purposes under the Indenture.

“Capital Stock” means (i) in the case of a corporation, corporate stock, (ii) in the case of an association or business entity, any and all shares, interests, participations, rights or other equivalents (however designated) of corporate stock, (iii) in the case of a partnership or limited liability company, partnership or membership interests (whether general or limited) and (iv) any other interest or participation that confers on a person the right to receive a share of the profits and losses of, or distribution of assets of, the issuing person.

“Consolidated Assets” means all assets owned directly by the Company or indirectly by the Company through any Subsidiary and reflected on the Company’s consolidated balance sheet prepared in accordance with GAAP.

“Indebtedness” means, without duplication, the principal or face amount of (i) all obligations for borrowed money, (ii) all obligations evidenced by debentures, notes or other similar instruments, (iii) all obligations in respect of letters of credit or bankers acceptances or similar instruments (or reimbursement obligations with respect thereto), (iv) all obligations to pay the deferred purchase price of property or services, except trade accounts payable arising in the ordinary course of business, (v) all obligations as lessee which are capitalized in accordance with GAAP, and (vi) all Indebtedness of others guaranteed by the Company or any of its Subsidiaries or for which the Company or any of its Subsidiaries is legally responsible or liable (whether by agreement to purchase indebtedness of, or to supply funds or to invest in, others).

“Initial Notes” means the aggregate principal amount of \$50,000,000 of Senior Notes issued under this Second Supplemental Indenture on the Issue Date.

“Interest Payment Dates” means February 14 and August 14 of each year, commencing February 14, 2016 through August 14, 2020, and February 14, May 14, August 14, and November 14 of each year thereafter.

“Interest Reset Period” means each period during the floating period commencing on and including an Interest Payment Date and ending on but excluding the next succeeding Interest Payment Date. The first Interest Reset Period shall commence on and include August 14, 2020.

“Issue Date” means August 14, 2015, the date of the original issuance of the Initial Notes.

“Junior Subordinated Debt” means the Company’s Trust Preferred Securities Guarantees and the Company’s 8.125% junior subordinated deferrable interest debentures due 2028, floating rate junior subordinated debentures due 2034, fixed rate junior subordinated debentures due 2038 and variable rate subordinated debentures due 2038.

If the rate described above does not appear on such Bloomberg Screen page, LIBOR will be determined on the basis of the rates at which deposits in U.S. dollars for a three-month period and in a principal amount of not less than \$1,000,000 are offered to prime banks in the London interbank market by four major banks in the London interbank market selected by the Company, at approximately 11:00 a.m., London time on the second London Banking Day preceding the first day of that Interest Reset Period. The Company will request the principal London office of each of such banks to provide a quotation of its rate. If at least two such quotations are provided, LIBOR with respect to that Interest Reset Period will be the arithmetic mean (rounded upward

if necessary to the nearest .00001 of 1%) of such quotations. If fewer than two quotations are provided, LIBOR with respect to that Interest Reset Period will be the arithmetic mean (rounded upward if necessary to the nearest .00001 of 1%) of the rates quoted by three major banks in New York, New York, selected by the Company, at approximately 11:00 a.m., New York City time, on the first day of that Interest Reset Period for loans in U.S. dollars to leading European banks for a three-month period and in a principal amount of not less than \$1,000,000. However, if the banks selected by the Company to provide quotations are not quoting as described above, LIBOR for that Interest Reset Period will be the same as LIBOR as determined for the previous Interest Reset Period or, in the case of the first Interest Reset Period, 1.686%. The establishment of LIBOR will be final and binding in the absence of manifest error.

“London Banking Day” means any day on which commercial banks are open for general business (including dealings in deposits in U.S. dollars) in London.

“Material Subsidiary” means United Community Bank and any successor thereof.

“Subsidiary” means, with respect to any person, (i) any corporation, association or other business entity of which more than 50% of the total voting power of shares of Capital Stock entitled (without regard to the occurrence of any contingency) to vote in the election of directors, managers or trustees thereof is at the time owned or controlled, directly or indirectly, by such person, (ii) any partnership (a) the sole general partner or the managing general partner of which is such person or an entity described in clause (i) and related to such person or (b) the only general partners of which are such person or of one or more entities described in clause (i) and related to such person (or any combination thereof) and (iii) any limited liability company of which more than 50% of the total membership interests is at the time owned or controlled, directly or indirectly, by such person.

ARTICLE II
THE SENIOR NOTES

SECTION 2.1 Designation and Issuance of Senior Notes.

2.1.1 There is hereby created a Series of Securities designated, as previously recited, as the Company's "5.00% Fixed to Floating Rate Senior Notes due February 14, 2022." In accordance with Section 2.3 of the Original Indenture, the Trustee will, upon receipt of an Officers' Certificate and an Opinion of Counsel, in each case complying with Section 10.4 of the Original Indenture, and a Company Order directing the Trustee to authenticate the Initial Notes, authenticate the Initial Notes.

2.1.2 The aggregate principal amount of Senior Notes which may be authenticated and delivered under this Second Supplemental Indenture is unlimited. The aggregate principal amount of Initial Notes which may be authenticated and delivered under this Second Supplemental Indenture on the Issue Date is \$50,000,000 (except for Securities authenticated and delivered upon registration of transfer of, or in exchange for, or in lieu of, other Securities of the Series pursuant to Sections 2.7, 2.8, 2.11, 3.6 or 9.6 of the Original Indenture), and the Senior Notes shall be denominated and payable in United States Dollars. The Initial Notes will be issued at a price to the public of 100% of the principal amount thereof.

2.1.3 The Senior Notes constitute a senior unsecured general obligation of the Company, ranking equally with other existing and future senior unsecured Indebtedness of the Company and ranking senior in right of payment to the Junior Subordinated Debt and any future Indebtedness of the Company that is expressly made subordinate to the Senior Notes by the terms of such Indebtedness.

SECTION 2.2 Form and Terms of Senior Notes.

2.2.1 The principal amount of the Senior Notes outstanding (together with any accrued unpaid interest and other amounts) shall be payable in accordance with the terms and conditions set forth in the Indenture and the Senior Notes on any Redemption Date and on the Maturity Date.

2.2.2 Interest on the Senior Notes shall be payable semi-annually on each February 14 and August 14 up to and including August 14, 2020, with interest accruing from and including August 14, 2015 to but excluding August 14, 2020, at an initial rate of 5.00% per year, and interest shall be payable quarterly thereafter on February 14, May 14, August 14 and November 14, of each year through the Maturity Date or early Redemption Date, with such interest accruing from and including August 14, 2020, at a floating rate per annum equal to 3-month LIBOR plus 3.814%, to the person in whose name the Senior Notes (or one or more predecessor Senior Notes) are registered at the close of business on the Record Date for such Interest Payment Date, unless otherwise specified in a writing by the holder of such Senior Notes to the Trustee and the Company. Payments of interest on the Senior Notes will include interest accrued to but excluding the respective Interest Payment Dates. The floating rate for each Interest Reset Period shall be calculated by the Company and notified to the Trustee on the Interest Payment Date occurring during such Interest Reset Period. Interest payments for the Senior Notes during the fixed period shall be computed and paid on the basis of a 360-day year of twelve 30-day months and interest during the floating period shall be calculated based upon the actual number of days during the period divided by 360 days. In the event that any date on which interest is payable on the Senior Notes during the fixed rate period is not a Business Day, then a payment of the interest payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay), with the same force and effect as if made on the date the payment was originally payable. In the event that an Interest Payment Date occurring during the floating rate period is not a Business Day, the Company will pay interest on the next day that is a Business Day, unless it would thereby fall in the next succeeding

calendar month, in which case such Interest Payment Date will be brought forward to the immediately preceding Business Day, and no interest will accrue or fail to accrue as a result of that postponement or earlier payment.

2.2.3 Except as otherwise provided by the Senior Notes, the place of payment where the Senior Notes may be presented or surrendered for payment, where the Senior Notes may be surrendered for registration of transfer or exchange (to the extent required or permitted, as applicable, by the terms of the Senior Notes) and where notices and demand to or upon the Trustee in respect of the Senior Notes and the Indenture may be served shall be the office of the Paying Agent from time to time, which shall initially be The Bank of New York Mellon Trust Company, N.A., c/o The Bank of New York Mellon, 111 Sanders Creek Parkway, East Syracuse, New York 13057.

2.2.4 The Senior Notes shall be issuable in whole or in part in the form of one or more registered Global Securities, substantially in the form set forth in Exhibit A hereto, registered in the name of the Depository or its nominee. The Company has initially appointed The Depository Trust Company, New York, New York, to act as Depository with respect to such Global Securities. Except under the limited circumstances described below, Senior Notes represented by the Global Security will not be exchangeable for, and will not otherwise be issuable as, Senior Notes in definitive form. The Global Securities described above may not be transferred except by the Depository to a nominee of the Depository or by a nominee of the Depository to the Depository or another nominee of the Depository or by the Depository or any such nominee to a successor Depository or a nominee of such a successor Depository.

Owners of beneficial interests in such a Global Security will not be considered the Holders thereof for any purpose under the Indenture, and no Global Security representing a Senior Note shall be exchangeable, except for another Global Security of like denomination and tenor to be registered in the name of the Depository or its nominee or to a successor Depository or its nominee. The rights of Holders of such Global Security shall be exercised only through the Depository.

A Global Security shall be exchangeable for Senior Notes registered in the names of persons other than the Depository or its nominee only if (i) the Depository notifies the Company that it is unwilling or unable to continue as a Depository for such Global Security and no successor Depository shall have been appointed by the Company, or if at any time the Depository ceases to be a clearing agency registered under the Securities Exchange Act of 1934, as amended, at a time when the Depository is required to be so registered to act as such Depository and no successor Depository shall have been appointed by the Company, in each case within 90 calendar days after the Company receives such notice or becomes aware of such cessation, (ii) the Company in its sole discretion determines that such Global Security shall be so exchangeable, or (iii) there shall have occurred an Event of Default with respect to the Senior Notes. Any Global Security that is exchangeable pursuant to the preceding sentence shall be exchangeable for Senior Notes registered in such names as the Depository shall direct in writing in an aggregate principal amount equal to the principal amount of the Global Security with like tenor and terms.

2.2.5 The Senior Notes are not convertible into Securities of any other Series.

2.2.6 Notwithstanding anything to the contrary in the Original Indenture, the requisite percentage of Holders of Senior Notes able to give a "Notice of Default" pursuant to Section 6.1(d) of the Original Indenture shall be 25% of the aggregate principal amount of the outstanding Senior Notes.

2.2.7 In addition to the "Events of Default" specified in Section 6.1 of the Original Indenture, it shall also be an "Event of Default" with respect to the Senior Notes if: the Company shall default under any bond, debenture, note or other evidence of indebtedness for money borrowed by the Company or the Material Subsidiary having an aggregate principal amount outstanding of at least \$25,000,000, or under

any mortgage, indenture or instrument (including this Indenture) under which there may be issued or by which there may be secured or evidenced any indebtedness for money borrowed by the Company or the Material Subsidiary having an aggregate principal amount outstanding of at least \$25,000,000, whether such indebtedness now exists or is created or incurred in the future, which default (i) constitutes a failure to pay any portion of the principal of such indebtedness when due and payable after the expiration of any applicable grace period or (ii) results in such indebtedness becoming due or being declared due and payable prior to the date on which it otherwise would have become due and payable without, in the case of clause (i), such indebtedness having been discharged or, in the case of clause (ii), without such indebtedness having been discharged or such acceleration having been rescinded or annulled.

2.2.8 Notwithstanding anything to the contrary in the Original Indenture, the requisite percentage of Holders of Senior Notes able to declare the principal amount thereof (and accrued and unpaid interest, if any) due and payable pursuant to Section 6.2 of the Original Indenture shall be 25% of the aggregate principal amount of the outstanding Senior Notes.

2.2.9 Notwithstanding anything to the contrary in the Original Indenture, the requisite percentage of Holders of Senior Notes able to make written request to the Trustee to institute proceedings in respect of an Event of Default in its own name as Trustee hereunder pursuant to Section 6.7(b) of the Original Indenture shall be 25% of the aggregate principal amount of the outstanding Senior Notes.

2.2.10 So long as any of the Senior Notes are outstanding but subject to the provisions of Article V of the Original Indenture, the Company covenants that it:

(a) will not, nor will it permit the Material Subsidiary to, directly or indirectly, sell or otherwise dispose of any shares of, securities convertible into, or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of the Material Subsidiary, nor will the Company permit the Material Subsidiary to issue any shares of, or securities convertible into, or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of the Material Subsidiary if, in each case, after giving effect to any such transaction and to the issuance of the maximum number of shares of Voting Stock of the Material Subsidiary issuable upon the exercise of all such convertible securities, options, warrants or rights, the Company would cease to own, directly or indirectly, at least 80% of the issued and outstanding Voting Stock of the Material Subsidiary; and

(b) will not permit the Material Subsidiary to:

(i) merge or consolidate with or into any corporation or other person, unless the Company is the surviving corporation or person, or unless, upon consummation of the merger or consolidation, the Company will own, directly or indirectly, at least 80% of the surviving corporation's issued and outstanding Voting Stock; or

(ii) lease, sell, assign or transfer all or substantially all of its properties and assets to any person (other than the Company), unless, upon such sale, assignment or transfer, the Company will own, directly or indirectly, at least 80% of the issued and outstanding Voting Stock of that person.

Notwithstanding the foregoing, any such sale, assignment or transfer of securities, any such merger or consolidation or any such lease, sale, assignment or transfer of properties and assets shall not be prohibited if: (A) required by law, such lease, sale, assignment or transfer of securities is made to any person for the purpose of the qualification of such person to serve as a director; (B) such lease, sale, assignment or transfer of securities is made by the Company or any of its Subsidiaries acting in a fiduciary capacity for any person other than the Company or any Subsidiary; (C) made in connection with

the consolidation of the Company with or the sale, lease or conveyance of all or substantially all of the assets of the Company to, or merger of the Company with or into any other person (as to which Article V of the Original Indenture shall apply); (D) required by any law or any rule, regulation or order of any governmental agency or authority; or (E) required as a condition imposed by any law or any rule, regulation or order of any governmental agency or authority to the acquisition by the Company, directly or indirectly, through purchase of stock or assets, merger, consolidation or otherwise, of any person; provided, that, in the case of (E) only, after giving effect to such disposition and acquisition, (y) at least 80% of the issued and outstanding Voting Stock of such person will be owned, directly or indirectly, by the Company and (z) the Consolidated Assets of the Company will be at least equal to 70% of the Consolidated Assets of the Company prior thereto; and nothing in this section shall prohibit the Company or the Material Subsidiary from the sale or transfer of assets pursuant to any securitization transaction or the pledge of any assets to secure borrowings incurred in the ordinary course of business, including, without limitation, deposit liabilities, mortgage escrow funds, reverse repurchase agreements, Federal Home Loan Bank advances, recourse obligations incurred in connection with the Material Subsidiary's lending activities and letters of credit.

2.2.11 So long as any of the Senior Notes are outstanding but subject to the provisions of Article V of the Original Indenture, the Company covenants that it will not, nor will the Company permit the Material Subsidiary to, create, assume, incur or suffer to be created, assumed or incurred or to exist, any pledge, encumbrance or lien, as security for Indebtedness for borrowed money, upon any shares of Voting Stock of the Material Subsidiary (or securities convertible into, or options, warrants or rights to subscribe for or purchase shares of that Voting Stock), directly or indirectly, without making effective provision whereby the Senior Notes shall be equally and ratably secured with any and all such Indebtedness if, treating such pledge, encumbrance or lien as a transfer of the shares of, or securities convertible into or options, warrants or rights to subscribe for or purchase shares of, Voting Stock of the Material Subsidiary subject thereto to the secured party and after giving effect to the issuance of the maximum number of shares of Voting Stock of the Material Subsidiary issuable upon the exercise of all such convertible securities, options, warrants or rights, the Company would not continue to own at least 80% of the issued and outstanding Voting Stock of the Material Subsidiary. Notwithstanding the foregoing, this Section shall not apply to any:

(a) pledge, encumbrance or lien upon any such shares of Voting Stock to secure (i) indebtedness of the Company or a Subsidiary as part of the purchase price of such shares of Voting Stock, or incurred prior to, at the time of or within 120 days after acquisition thereof for the purpose of financing all or any part of the purchase price thereof or (ii) other Indebtedness in an aggregate principal amount at any one time not exceeding \$50,000,000;

(b) lien for taxes, assessments or other government charges or levies (i) which are not yet due or payable without penalty, (ii) which the Company is contesting in good faith by appropriate proceedings so long as the Company has set aside on its books such reserves as shall be required in respect thereof in conformity with GAAP or (iii) which secure obligations of less than \$1,000,000 in amount;

(c) lien of any judgment, if that judgment (i) is discharged, or stayed on appeal or otherwise, within 60 days, (ii) is currently being contested in good faith by appropriate proceedings so long as the Company has set aside on its books such reserves as shall be required in respect thereof in conformity with GAAP or (iii) involves claims of less than \$1,000,000; or

(d) any pledge or lien on the Voting Stock of the Material Subsidiary to secure a loan or other extension of credit by a Subsidiary subject to Section 23A of the Federal Reserve Act.

In case the Company or the Material Subsidiary shall propose to create, assume, incur or suffer to be created, assumed or incurred or to exist, any pledge, encumbrance or lien, as security for Indebtedness for borrowed money, upon any shares of Voting Stock of the Material Subsidiary (or securities convertible into, or options, warrants or rights to subscribe for or purchase shares of that Voting Stock), directly or indirectly, other than as permitted by subdivisions (a) to (d), inclusive, of this Section, the Company will prior thereto give written notice thereof to the Trustee, and will prior to or simultaneously with such pledge, encumbrance or lien, by supplemental indenture delivered to the Trustee, in form satisfactory to it, effectively secure all the Senior Notes equally and ratably with such Indebtedness, by pledge, encumbrance or lien of such Voting Stock. Such supplemental indenture shall contain the provisions, concerning the possession, control, release and substitution of encumbered and pledged property and securities and other appropriate matters which are required or permitted by the TIA (as in effect at the date of execution of such supplemental indenture) to be included in a secured indenture qualified under the TIA, and may also contain such additional and mandatory provisions permitted by the TIA as the Company shall deem advisable or appropriate or as may otherwise be requested by the Trustee.

SECTION 2.3 Registrar and Paying Agent.

The Company initially appoints the Trustee to act as Registrar and Paying Agent with respect to the Senior Notes, and the Trustee hereby agrees so to initially act. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

SECTION 2.4 Optional Redemption of Senior Notes.

The Senior Notes shall have a par redemption and be redeemable, in whole or in part, at the option of the Company on any Redemption Date at the Redemption Price, and in accordance with the provisions set forth in the Indenture and Senior Notes.

SECTION 2.5 Issuances of Additional Notes.

The Company shall be entitled, upon delivery of an Officers' Certificate and an Opinion of Counsel, each complying with Section 10.4 of the Original Indenture, to issue Additional Notes under this Second Supplemental Indenture. The Initial Notes issued on the Issue Date, and any Additional Notes issued shall be treated as a single Series and single class of Securities for all purposes under this Second Supplemental Indenture and the Original Indenture.

At any time after the execution of this Second Supplemental Indenture, the Company may deliver Additional Notes to the Trustee for authentication, together with an Officers' Certificate complying with Section 10.4 of the Original Indenture and a Company Order for the authentication and delivery of such Additional Notes, as well as an Opinion of Counsel complying with Section 10.4 of the Original Indenture. Subject to Section 2.3 of the Original Indenture, the Trustee shall thereafter authenticate and deliver such Additional Notes in accordance with such Officers' Certificate and Company Order. In authenticating such Additional Notes and accepting the additional responsibilities under this Second Supplemental Indenture in relation to such Additional Notes, the Trustee shall be entitled to receive and fully protected in relying upon such Officers' Certificate, which such Officers' Certificate shall set forth any limit upon the aggregate principal amount of such Additional Notes to be authenticated and delivered under this Second Supplemental Indenture and setting forth the issue price, the issue date and the CUSIP number of such Additional Notes and be prepared in accordance with Section 10.4 of the Original Indenture.

(the “Company”), a Georgia corporation, of a Series designated as the “5.00% Senior Fixed to Floating Rate Notes due February 14, 2022” (herein called the “Senior Notes”) initially issued in an aggregate principal amount of \$_____ on August 14, 2015. The Company promises to pay interest on the principal amount of this Senior Note semi-annually on each February 14 and August 14 up to and including August 14, 2020, with interest accruing from and including August 14, 2015 to but excluding August 14, 2020, at an initial rate of 5.00% per year, and quarterly thereafter on February 14, May 14, August 14 and November 14, of each year through the Maturity Date or early Redemption Date, with such interest accruing from and including August 14, 2020, at a floating rate per annum equal to 3-month LIBOR plus 3.814%. Interest payments for this Senior Note during the fixed period shall be computed and paid on the basis of a 360-day year of twelve 30-day months and interest during the floating period shall be calculated based upon the actual number of days during the period divided by 360 days. In the event that any date on which interest is payable on this Senior Note during the fixed rate period is not a Business Day, then a payment of the interest payable on such date will be made on the next succeeding day that is a Business Day (and without any interest or other payment in respect of any such delay), with the same force and effect as if made on the date the payment was originally payable. In the event that an Interest Payment Date occurring during the floating rate period is not a Business Day, the Company will pay interest on the next day that is a Business Day, unless it would thereby fall in the next succeeding calendar month, in which case such Interest Payment Date will be brought forward to the immediately preceding Business Day, and no interest will accrue or fail to accrue as a result of that postponement or earlier payment.

2. Method of Payment. The Company will pay interest on this Senior Note to the persons who are registered Holders of this Senior Note at the close of business on the Record Date for such Interest Payment Date, even if such Senior Note is canceled after such record date and on or before such Interest Payment Date, except as provided in Section 2.13 of the Original Indenture (as herein defined) with respect to defaulted interest. The Senior Note will be payable as to principal, premium, if any, and interest at the office or agency of the Paying Agent appointed from time to time by the Company, whose address is initially The Bank of New York Mellon Trust Company, N.A., c/o The Bank of New York Mellon, 111 Sanders Creek Parkway, East Syracuse, New York 13057. Such payment shall be in such coin or currency of the United States of America as at the time of payment is legal tender for payment of public and private debts.

3. Paying Agent and Registrar. Initially, The Bank of New York Mellon Trust Company, N.A., the trustee (“Trustee”) under the Indenture, will act as Paying Agent and Registrar. The Company may change any Paying Agent or Registrar without notice to any Holder. The Company or any of its Subsidiaries may act in any such capacity.

4. Indenture. The Company and the Trustee entered into an Indenture dated as of August 14, 2015 (the “Original Indenture”) and a Second Supplemental Indenture dated as of August 14, 2015 (the “Second Supplemental Indenture” and together with the Original Indenture, the “Indenture”) setting forth certain terms of the Senior Notes. The terms of the Senior Notes include those stated in the

Indenture and those made part of the Indenture by reference to the TIA. The Senior Notes are subject to all such terms, and Holders are referred to the Indenture and the TIA for a statement of such terms. To the extent any provision of this Senior Note conflicts with the express provisions of the Indenture, the provisions of the Indenture shall govern and be controlling. The Senior Notes are unsecured obligations of the Company.

5. Denominations, Transfer, Exchange. The Senior Notes are in registered form without coupons in denominations of \$1,000 and integral multiples of \$1,000 in excess thereof. The transfer of Senior Notes may be registered and Senior Notes may be exchanged as provided in the Indenture. The Registrar and the Trustee may require a Holder, among other things, to furnish appropriate endorsements and transfer documents and the Company may require a Holder to pay any taxes and fees required by law or permitted by the Indenture. The Company need not exchange or register the transfer of any Senior Notes during the period between a record date and the next succeeding Interest Payment Date.

6. Persons Deemed Owners. The registered Holder of a Senior Note may be treated as its owner for all purposes.

7. Amendment, Supplement and Waiver. Subject to certain exceptions and the applicable provisions of the Indenture, the Indenture or the Senior Notes may be amended or supplemented with the written consent of the Holders of at least a majority in principal amount of the then outstanding Senior Notes (including, without limitation, consents obtained in connection with a tender offer or exchange offer for the Senior Notes), for the purpose of adding any provisions to or changing in any manner or eliminating any of the provisions of the Indenture or of modifying in any manner the rights of the Holders of the Senior Notes. Subject to applicable provisions of the Indenture, Holders of a majority in principal amount of the then outstanding Senior Notes by notice to the Trustee (including consents obtained in connection with a tender offer or exchange offer for the Senior Notes) may waive compliance by the Company with any provision of the Indenture or the Senior Notes with respect to the Senior Notes. As provided in the Indenture, without the consent of any Holder of a Senior Note, the Indenture or the Senior Notes may be amended or supplemented to, among other things, cure any ambiguity, defect or inconsistency; provide for uncertificated Senior Notes in addition to or in place of certificated Senior Notes; or make any other change that does not adversely affect the rights of any Holder.

8. Defaults and Remedies. If an Event of Default with respect to the Senior Notes occurs and is continuing, the principal amount of the Senior Notes, together with accrued and unpaid interest to the date of declaration may be declared to be due and payable immediately in the manner and with the effect provided in the Indenture. Holders of Senior Notes may not enforce the Indenture or the Senior Notes except as provided in the Indenture. The Trustee is not obligated to enforce the Indenture or the Senior Notes unless it has received indemnity satisfactory to it. The Indenture permits, subject to certain limitations therein provided, Holders of a majority in aggregate principal amount of the Senior Notes then outstanding to direct the Trustee in its exercise of any trust or power. The Trustee may withhold from Holders of Senior Notes notice of certain continuing Defaults or Events of Default if and so long as its corporate trust committee or a committee of its Responsible Officers in good faith determines that withholding the notice is in the interests of the Holders of the Senior Notes. No reference herein to the Indenture and no provision of the Senior Notes or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on the Senior Notes at the times, place and rate, and in the coin or currency, herein prescribed.

9. No Sinking Fund. There is no sinking fund provided for the Senior Notes.

10. Trustee Dealings with Company. The Trustee, in its individual or any other

capacity, may become the owner or pledgee of Senior Notes and may otherwise deal with the Company or any affiliate of the Company with the same rights it would have if it were not the Trustee.

11. Discharge and Defeasance. Subject to certain conditions, the Company at any time shall be entitled to terminate some or all of its obligations under the Senior Notes and the Indenture if the Company deposits with the Trustee cash in United States Dollars in such amounts as will be sufficient, in the opinion of a nationally recognized firm of independent public accountants, to pay the principal of, premium, if any, on and interest on the outstanding Senior Notes on the stated maturity.

12. No Recourse Against Others. A director, officer, employee or stockholder, as such, of the Company shall not have any liability for any obligations of the Company under the Senior Notes or the Indenture or for any claim based on, in respect of or by reason of such obligations or their creation. Each Holder of the Senior Notes, by accepting the Senior Notes, waives and releases all such liability. The waiver and release are part of the consideration for the issue of the Senior Notes.

13. Authentication. This Senior Note shall not be valid until authenticated by the manual signature of the Trustee or an authenticating agent.

14. Abbreviations. Customary abbreviations may be used in the name of a Holder or an assignee, such as: TEN COM (= tenants in common), TEN ENT (= tenants by the entireties), JT TEN (= joint tenants with right of survivorship and not as tenants in common), CUST (= custodian), and U/G/M/A (= Uniform Gifts to Minors Act). Additional abbreviations may also be used though not in the above list.

15. CUSIP Numbers. Pursuant to a recommendation promulgated by the Committee on Uniform Security Identification Procedures, the Company may cause CUSIP numbers to be printed on the Senior Notes.

16. Available Information. The Company will furnish to any Holder upon written request and without charge a copy of the Indenture. Requests may be made to:

Ladies and Gentlemen:

In connection with the registration under the Securities Act of 1933, as amended (the "Act"), of (i) \$50,000,000 principal amount of 5.00% Senior Fixed to Floating Rate Notes due February 14, 2022 (the "2022 Notes") and (ii) \$35,000,000 principal amount of 5.50% Senior Fixed to Floating Rate Notes due February 14, 2027 (the "2027 Notes" and, together with the 2022 Notes, the "Senior Notes") of United Community Banks, Inc., a Georgia corporation (the "Company"), we, as your counsel, have examined such corporate records, certificates and other documents, and such questions of law, as we have considered necessary or appropriate for the purposes of this opinion.

Upon the basis of such examination, we advise you that, in our opinion, assuming the Senior Notes have been duly authorized, when the Senior Notes have been duly executed and authenticated in accordance with the Indenture relating to the Senior Notes and issued and sold as contemplated in the registration statement on Form S-3 (File No. 333-203548) filed by the Company under the Act, as it became effective under the Act, and including any including any amendment or supplemental prospectus thereto (the "Registration Statement"), the Senior Notes will constitute valid and legally binding obligations of the Company, subject to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors' rights and to general equity principles.

The foregoing opinion is limited to the federal laws of the United States and the laws of the States of Georgia and New York, and we are expressing no opinion as to the effect of the laws of any other jurisdiction.

We have relied as to certain factual matters on information obtained from public officials, officers of the Company and other sources believed by us to be responsible, and we have assumed that the Indenture has been duly authorized, executed and delivered by the Trustee thereunder, an assumption which we have not independently verified.

We hereby consent to the filing of this opinion as an exhibit to the Registration Statement and to the reference to us under the heading "Legal Matters" in the prospectus thereto. In giving such consent, we do not thereby admit that we are in the category of persons whose consent is required under Section 7 of the Act.
